Homestyles Aspen Nightstand

Model: 5520-42

Brand: homestyles

1. INTRODUCTION

Thank you for choosing the Homestyles Aspen Nightstand. This manual provides essential information for the safe assembly, proper use, and maintenance of your new furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

The Aspen Nightstand combines rustic charm with durable construction. Crafted from solid mahogany and premium veneers, it offers a classic aesthetic and lasting quality.

2. SAFETY INFORMATION

- Always assemble the nightstand on a soft, clean surface to prevent scratches.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as needed.
- Do not overload the drawer or open shelf. Refer to specifications for maximum weight recommendations.
- Keep small parts and packaging materials away from children and pets.
- This product is designed for indoor residential use only.
- To prevent tipping, do not allow children to climb on the nightstand.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present. If any items are missing or damaged, please contact customer support.

Step-by-Step Assembly:

1. **Prepare Components:** Unpack all parts and hardware. Lay them out on a clean, soft surface. Identify each component using the provided parts list.
2. **Assemble Base:** Attach the legs or base components to the bottom panel using the specified hardware (e.g., screws, dowels). Ensure they are firmly secured.
3. **Attach Side Panels:** Connect the side panels to the bottom panel and any internal support structures. Use cam locks and dowels as indicated in the diagrams.
4. **Install Drawer Glides:** Secure the drawer glides to the interior side panels of the nightstand frame. Ensure they are level and aligned.
5. **Assemble Drawer:** Construct the drawer box by attaching the front, back, and side panels to the drawer bottom. Install the remaining drawer glides onto the drawer sides. Attach the drawer pull to the drawer front.
6. **Insert Drawer:** Carefully slide the assembled drawer into the nightstand frame, aligning the drawer glides.
7. **Attach Top Panel:** Place the top panel onto the assembled frame, aligning it with the pre-drilled holes. Secure it using the appropriate hardware.
8. **Attach Back Panel:** Fasten the back panel to the rear of the nightstand using small nails or screws.

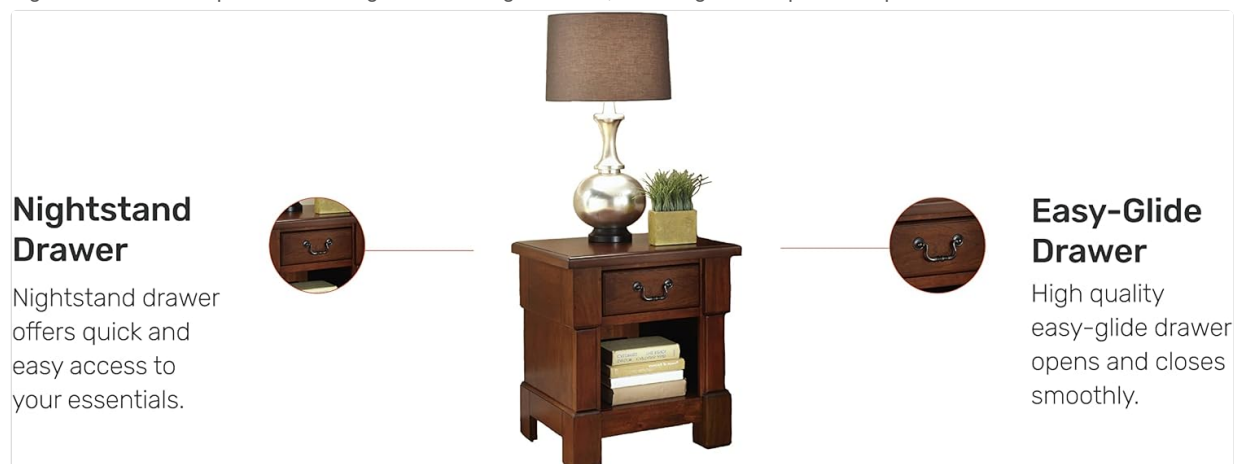

9. **Final Check:** Verify that all connections are tight and the nightstand is stable.

5. OPERATING INSTRUCTIONS

The Homestyles Aspen Nightstand is designed for convenient storage and display next to your bed or other furniture.

Nightstand Drawer

Nightstand drawer offers quick and easy access to your essentials.

Easy-Glide Drawer

High quality easy-glide drawer opens and closes smoothly.

Figure 5.2: The nightstand highlighting its easy-glide drawer for quick access and an open storage area below for books or

decorative items.

Drawer Use:

The nightstand features one easy-glide drawer. To open, gently pull the handle. To close, push the drawer back until it is fully seated. Avoid forcing the drawer, especially if it feels stiff. Ensure items inside do not obstruct its movement.

Open Storage Shelf:

The open shelf below the drawer provides additional space for books, magazines, or decorative items. Distribute weight evenly on the shelf.

6. MAINTENANCE AND CARE

Proper care will help maintain the beauty and longevity of your Aspen Nightstand.

- **Cleaning:** Wipe the surface with a dry, soft cloth. Avoid abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Heat and Moisture:** Protect the surface from direct heat and moisture using coasters or protective pads.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Moving:** When moving the nightstand, always lift it rather than dragging it to prevent damage to the legs and frame.

7. TROUBLESHOOTING

If you encounter any issues with your nightstand, refer to the following common solutions:

Problem	Possible Cause	Solution
Nightstand is wobbly	Loose hardware; uneven floor	Check and tighten all screws. Place shims under legs if floor is uneven.
Drawer does not slide smoothly	Drawer glides misaligned; obstruction; dirty glides	Ensure glides are properly aligned and free of debris. Check for items obstructing drawer movement.
Scratches or minor damage to finish	Accidental impact; wear and tear	Use a furniture repair kit or touch-up pen matching the cherry finish.
