SETUP

Unpacking and Preparation

Tork HB1990A Perforated Paper Roll Towels come poly-wrapped for hygiene. Carefully remove the outer packaging from each roll before use.

Dispenser Compatibility

These rolls are designed for universal compatibility with standard paper towel holders. Ensure your dispenser can accommodate a roll with a core inner diameter of 1.7 inches and a width of 11.0 inches.

OPERATING INSTRUCTIONS

Dispensing

To dispense a towel, locate the perforation line and pull firmly but smoothly. The perforations are designed for easy tearing, allowing for single-sheet dispensing.

Usage

These 2-ply paper towels are highly absorbent and suitable for wiping up water, spills, and general cleaning tasks. Their high bulk helps reduce the number of towels needed for each task.

This image shows a person using a Tork paper towel to wipe a spill on a tiled floor, demonstrating its absorbency and utility.

MAINTENANCE

Storage

Store paper towel rolls in a cool, dry place away from direct sunlight and moisture to maintain their quality and absorbency. The protective poly-wrapped packaging helps keep rolls clean and hygienic during storage.

Disposal

These paper towel rolls are certified compostable. Dispose of used towels according to local waste management guidelines for compostable materials.

TROUBLESHOOTING

Common Issues

Difficulty Tearing

If towels are difficult to tear, ensure you are pulling along the perforation line. A quick, firm pull is usually effective. Avoid tearing at an angle.

Reduced Absorbency

Ensure towels have been stored in a dry environment. Moisture can reduce absorbency. If the issue persists, check the product for any signs of damage or improper storage conditions.

SPECIFICATIONS
