Volvo S60

2012 Volvo S60 Owner's Manual Set

Comprehensive Guide for Your Vehicle

INTRODUCTION TO THE MANUAL SET

This comprehensive manual set is designed to provide 2012 Volvo S60 owners with all necessary information for the safe and efficient operation, maintenance, and understanding of their vehicle. It includes various specialized booklets and a digital media disc, covering everything from basic controls to advanced navigation and warranty details.

NAVIGATION SYSTEM OPERATION

A dedicated manual for the Volvo Navigation System (VNS) provides detailed instructions for its use, including route planning, destination entry, and map functionalities. This manual is applicable to Volvo S60, XC60, XC70, and S80 models. Additionally, a document on Free Map Updates for US/Canada is included, guiding users on how to register and obtain the latest map data.

VEHICLE MAINTENANCE AND WARRANTY

The 2012 U.S.A./Canada Warranty and Maintenance Records Information booklet is an essential component of the set. It details the vehicle's warranty coverage and provides dedicated sections for logging scheduled maintenance, which is crucial for proper vehicle upkeep and maintaining warranty validity.
