

Mccage B009DQMVOU (4-inch Stainless Steel Feeder Perch Cups)

Mccage 4-inch Stainless Steel Bird Feeder Perch Cups

USER MANUAL

Model: B009DQMVOU

Introduction

This manual provides instructions for the proper installation, operation, and maintenance of your Mccage 4-inch Stainless Steel Bird Feeder Perch Cups. These durable cups are designed to provide a secure and hygienic feeding or watering solution for birds within their cages.

Safety Information

- Always ensure the cups are securely fastened to the cage to prevent accidental detachment and potential injury to your bird.
- Regularly inspect the cups and mounting hardware for any signs of wear or damage. Replace if necessary.
- Keep the cups clean to prevent bacterial growth and maintain your bird's health.
- Stainless steel is a safe and non-toxic material for pet use.

Package Contents

- 2 x 4-inch Stainless Steel Feeder/Water Perch Cups

Note: Each cup includes the necessary bolt and wingnut for attachment.

Product Features

- **Material:** High-quality Stainless Steel for durability and hygiene.
- **Size:** Each cup measures 4 inches in width, suitable for various bird sizes.
- **Mounting:** Secure bolt and wingnut attachment for easy installation on most wire cages.

- **Versatility:** Can be used for holding bird seed, water, or treats.
- **Textured Perch (Optional):** Some stainless steel perches feature a diamond-shaped pattern that can assist in naturally grinding down a bird's nails, promoting foot health.

Setup & Installation

1. **Unpack:** Carefully remove the stainless steel cups and mounting hardware from the packaging.
2. **Positioning:** Select a suitable location within your bird's cage for the feeder/water cup. Ensure it is easily accessible for your bird and for refilling/cleaning.
3. **Attach:**
 - Place the cup against the cage bars from the inside.
 - Insert the bolt through the cage bars and the designated hole on the cup's attachment bracket.
 - From the outside of the cage, secure the cup by tightening the wingnut onto the bolt.
 - Ensure the cup is stable and does not wobble. Adjust tightness as needed.

This image displays two round, polished stainless steel cups, each approximately 4 inches in width. They are designed for use as bird feeders or water bowls. Each cup is equipped with a light blue plastic attachment featuring a bolt and wingnut mechanism, allowing for secure mounting to a bird cage or perch.

Operating Instructions

- **Filling:** Fill the cups with your bird's preferred seed, pellets, fresh fruits, vegetables, or water.
- **Placement:** Position the cups at a height that is comfortable and safe for your bird to access. Avoid placing directly under perches where droppings may contaminate food or water.
- **Monitoring:** Regularly check the cups to ensure they are not empty and that the contents are fresh.

Maintenance & Cleaning

Proper cleaning is essential for your bird's health.

- **Daily Cleaning:** Empty and rinse the cups daily, especially water cups, to remove any debris or residue.
- **Thorough Cleaning:** At least once a week, or more frequently if needed, thoroughly clean the cups.
- **Method:** The Mcage Stainless Steel Bird Feeder Perch Cups are designed for **Hand Wash Only**. Use warm, soapy water and a non-abrasive sponge or brush. Rinse thoroughly to remove all soap residue.

- **Drying:** Allow the cups to air dry completely before refilling and returning them to the cage to prevent bacterial growth.

Troubleshooting

- **Cups do not fit cage bars:** Ensure the cage bars are within the appropriate thickness for the mounting mechanism. If the bars are too thick, the bolt may not extend far enough to secure the wingnut.
- **Cups are unstable or wobble:** Tighten the wingnut securely. If the problem persists, ensure the cup is positioned on a straight section of the cage bars and not on a curved or uneven area.
- **Bird is not using the cups:** Birds may need time to adjust to new accessories. Try placing familiar food or treats in the new cups to encourage use. Ensure the cups are placed in a comfortable and easily accessible location.

Specifications

Brand	Mcage
Model	B009DQMVOU
Material	Stainless Steel
Size	4" W (each cup)
Color	Steel
Care Instructions	Hand Wash Only
Target Species	Bird
Breed Recommendation	Small Breeds
