- LG HBS-730 Bluetooth Stereo Headset
- Ear Cushions (various sizes)
- Quick Start Guide (QSG)
- USB Charging Cable
- User Manual (this document)
- Warranty Card

PRODUCT OVERVIEW

The LG Tone+ HBS-730 features an ergonomic neckband design with retractable earbuds for comfort and convenience. It integrates advanced audio technologies for clear sound and robust call management features.

Figure 1: LG Tone+ HBS-730 Stereo Bluetooth Headset, showcasing its white neckband and earbud design.

Key Features:

- **Enhanced Audio:** Delivers enhanced audio and bass response for a rich listening experience.
- **apt-X Technology:** Reproduces CD-quality sound over a Bluetooth connection when paired with a compatible source device.
- **Long Battery Life:** Provides up to 15 hours of talk time and 10 hours of listening time.
- **Advanced Multipoint:** Allows simultaneous connection to two Bluetooth devices.
- **Call Vibration Alert:** Notifies you of incoming calls with a vibration.
- **Microphone Mute:** Integrated function for privacy during calls.
- **Noise Reduction & Echo Cancellation:** Filters background noise for clear conversations.
- **BT Reader Application:** (Android OS compatible) Reads incoming text messages in real time.

SETUP

Charging the Headset:

1. Connect the small end of the provided USB charging cable to the charging port on the headset.
2. Connect the standard USB end of the cable to a USB power source (e.g., computer USB port, USB wall adapter).
3. The LED indicator will illuminate during charging. It will change color or turn off when fully charged. A full charge typically takes approximately 2 hours.

Pairing with a Bluetooth Device:

1. Ensure the headset is charged and powered off.
2. Press and hold the **Call button** on the headset for approximately 5 seconds until the LED indicator flashes blue and red alternately. This indicates the headset is in pairing mode.
3. On your Bluetooth-enabled device (smartphone, tablet, laptop), navigate to the Bluetooth settings and enable Bluetooth.
4. Search for available devices. Select "**LG HBS730**" from the list of found devices.
5. If prompted for a passcode or PIN, enter "**0000**" (four zeros).
6. Once successfully paired, the headset will announce "Your headset is paired" and the LED will flash blue periodically.

OPERATING INSTRUCTIONS

Power On/Off:

- **Power On:** Slide the Power switch to the **ON** position. The headset will vibrate and announce "Power on".
- **Power Off:** Slide the Power switch to the **OFF** position. The headset will vibrate and announce "Power off".

Call Functions:

- **Answer/End Call:** Press the **Call button** once.
- **Reject Call:** Press and hold the **Call button** for 2 seconds.
- **Voice Dialing:** Press the **Call button** once in standby mode (if supported by your phone).
- **Redial:** Press the **Call button** twice in standby mode.
- **Microphone Mute:** During a call, press and hold the **Volume Down button** for 1 second. Repeat to unmute.

Music Playback:

- **Play/Pause:** Press the **Play/Pause button** once.
- **Next Track:** Press the **Fast Forward button** once.
- **Previous Track:** Press the **Rewind button** once.
- **Volume Up/Down:** Use the **Volume Up/Down buttons**.

Advanced Features:

- **Advanced Multipoint:** The headset can connect to two Bluetooth devices simultaneously. This allows you to manage calls from both devices without re-pairing.
- **BT Reader Application:** For Android OS users, download the BT Reader Application from Google Play. This feature enables the LG Tone+ to read your incoming text messages aloud in real time.

MAINTENANCE

Proper care and maintenance will ensure the longevity and optimal performance of your LG Tone+ HBS-730 headset.

- **Cleaning:** Gently wipe the headset with a soft, dry, lint-free cloth. Do not use liquid cleaners, abrasive pads, or harsh chemicals, as these may damage the surface or internal components.
- **Storage:** When not in use, store the headset in a cool, dry place, away from direct sunlight, extreme temperatures, and excessive dust.
- **Battery Care:** To maximize battery life, avoid fully discharging the battery frequently. Charge the headset regularly,

even if not in constant use.

- **Water Resistance:** The headset is water resistant, but not waterproof. Avoid submerging it in water or exposing it to heavy rain. Dry thoroughly if it gets wet.

TROUBLESHOOTING

If you encounter issues with your headset, refer to the table below for common problems and their solutions.

Problem	Solution
Headset does not power on.	Ensure the battery is charged. Connect the headset to a power source and allow it to charge for at least 30 minutes before attempting to power on.
Cannot pair the headset with a device.	Ensure the headset is in pairing mode (LED flashing blue and red). Make sure Bluetooth is enabled on your device and it is within 1 meter (3 feet) of the headset. Try restarting both devices.
No sound or poor sound quality.	Check the volume levels on both the headset and the connected device. Ensure the headset is properly paired and within Bluetooth range. Move closer to the connected device to avoid interference.
Call quality issues (static, intermittent).	Ensure the microphone is not muted. Move closer to your phone. Avoid physical obstructions between the headset and the phone. Check for other wireless devices that might cause interference.
BT Reader Application not working.	Ensure your device is running Android OS and the application is correctly installed and configured. Check app permissions.
