simplehuman BT1085

simplehuman Toilet Plunger and Caddy User Manual

Model: BT1085
Brand: simplehuman

1. PRODUCT OVERVIEW

The simplehuman Toilet Plunger and Caddy is designed for efficient and hygienic toilet maintenance. It features a unique magnetic collar that secures the plunger to its caddy, preventing drips and ensuring discreet storage. The plunger's flange is specifically shaped for optimal performance with modern toilets.

Image 1.1: simplehuman Toilet Plunger and Caddy, ready for use or storage.

Key Features:

- **Drip-Free Design:** A magnetic collar secures the cover to the plunger's stainless-steel rod, allowing for transport without drips.
- **Efficient Plunging:** The plunger flange features a narrow profile, optimized for modern toilets.
- **Discreet Storage:** The dome-shaped caddy conceals the plunger when not in use, with a large opening for easy access.
- **Durable Construction:** Built with a high-quality stainless steel rod for longevity.

2. SETUP

The simplehuman Toilet Plunger and Caddy comes pre-assembled and ready for immediate use. No complex assembly is required.

Unpacking and Placement:

1. Remove the plunger and caddy from its packaging.
2. Place the plunger into the caddy. The magnetic collar will guide the plunger into the correct position, securing it.
3. Position the caddy discreetly next to your toilet. The open back of the caddy allows for easy removal of the plunger when needed.

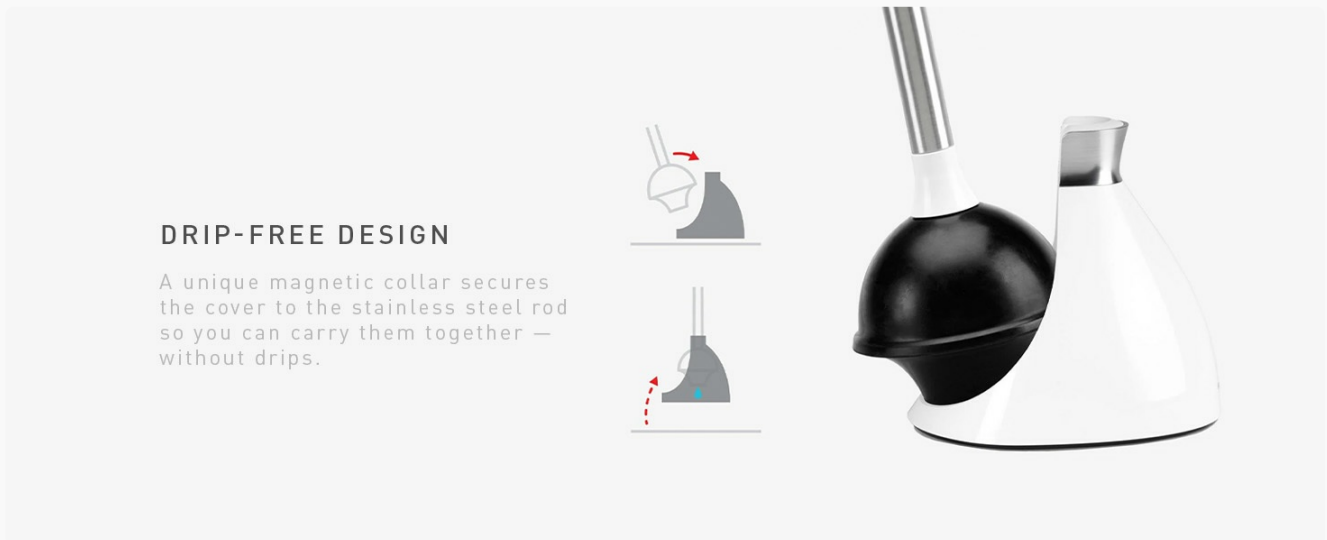

Image 2.1: The magnetic collar ensures a drip-free design by securing the plunger within its caddy.

3. OPERATING INSTRUCTIONS

Follow these steps for effective plunging:

1. Grasp the plunger handle and lift it from the caddy. The magnetic collar will release the plunger smoothly.
2. Position the plunger head over the toilet drain, ensuring a complete seal around the opening. The narrow flange is designed to fit modern toilet bowls effectively.
3. Push down firmly and pull up quickly several times to create suction and dislodge the clog.
4. Once the clog is cleared and water drains normally, rinse the plunger head in the toilet bowl.
5. Return the plunger to its caddy. The magnetic collar will re-engage, holding the plunger securely and preventing drips.

4. MAINTENANCE

Regular cleaning ensures the longevity and hygiene of your simplehuman Toilet Plunger and Caddy.

Cleaning Instructions:

- After each use, rinse the rubber plunger head thoroughly in the toilet bowl.
- Periodically wipe down the stainless steel rod and the exterior of the caddy with a damp cloth and mild disinfectant.
- The interior of the caddy can be cleaned by detaching the plunger and wiping the base. Ensure the caddy is dry before replacing the plunger.

5. TROUBLESHOOTING

If you encounter issues with your simplehuman Toilet Plunger, consider the following:

- **Ineffective Plunging:** Ensure a tight seal is formed between the plunger head and the toilet drain. The narrow flange is designed for modern toilets; adjust position as needed to maximize suction.
- **Plunger Not Securing in Caddy:** Check that the magnetic collar on the plunger handle aligns correctly with the magnetic points in the caddy. Ensure no debris is obstructing the magnetic connection.
- **Difficulty Removing Plunger from Caddy:** The caddy has a large opening at the back for easy detachment. Lift the plunger straight up from the caddy.

6. SPECIFICATIONS

Attribute	Detail
Brand	simplehuman
Model Number	BT1085
Color	White
Handle Material	Stainless Steel
Product Dimensions	7.9 x 7.1 x 23.1 inches
Item Weight	2.18 pounds
Included Components	Plunger, Holder
