

VTech 134265

Vtech Kidipet Touch Electronic Pet Dog

Model: 134265

INTRODUCTION

The Vtech Kidipet Touch is a handheld electronic device designed for children to care for a virtual pet dog. This interactive toy features a touch screen and a microphone, allowing for various interactions such as feeding, playing, and teaching tricks. The device also includes an alarm clock function and the ability to connect with other Kidipet Touch units.

SAFETY INFORMATION

Please read this user manual thoroughly before operating the Kidipet Touch. Keep this manual for future reference. This product is intended for children aged 5 years and older. Adult supervision is recommended during play.

- **Battery Safety:** Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries. Insert batteries with correct polarity. Remove exhausted batteries from the product. Remove batteries if the product is not to be used for an extended period.
- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age.
- **Cleaning:** Clean the device with a soft, damp cloth. Do not immerse in water.

PACKAGE CONTENTS

The Vtech Kidipet Touch package includes:

- 1 x Kidipet Touch Electronic Pet Dog device
- 2 x LR03 (AAA) batteries (included for demonstration purposes)

SETUP

Battery Installation

1. Locate the battery compartment on the back of the Kidipet Touch device.
2. Using a screwdriver, loosen the screw on the battery compartment cover and remove the cover.
3. Insert 2 new LR03 (AAA) batteries, ensuring correct polarity (+/-).
4. Replace the battery compartment cover and tighten the screw securely.

Initial Power On

After installing the batteries, press the Power button (usually located on the side or front of the device) to turn on your Kidipet Touch. Follow the on-screen prompts to set the time, date, and personalize your virtual pet.

OPERATING YOUR KIDIPET TOUCH

The Kidipet Touch allows you to interact with your virtual pet through its touch screen and integrated microphone. The device offers 6 main game modes to explore.

KidiPetTM touch

Prends soin de ton KidiPet

Nourris ton KidiPet et joue avec lui pour gagner des accessoires et le rendre de plus en plus heureux.

Entraîne ton KidiPet

Grâce à l'écran tactile, tu peux interagir avec ton KidiPet : l'entraîner à exécuter des tours amusants ou encore le caresser.

Discute avec ton KidiPet

Parle à ton KidiPet, il répétera ce que tu lui dis avec une voix amusante !

Joue avec moi !

Rencontre d'autres KidiPets

Élargis son cercle d'amis et connecte-toi avec d'autres KidiPets pour leur envoyer des cadeaux ou jouer.

Tourne la roue pour choisir une destination : promenade, clinique, boutique, maison...

Horloge et alarme

Une fonction horloge et alarme pour te réveiller avec ton KidiPet.

Basic Interaction

- **Touch Screen:** Use your finger to navigate menus, select actions, and pet your virtual dog.
- **Microphone:** Speak into the microphone, and your virtual dog will repeat what you say in a funny voice.

Game Modes

Turn the wheel on the device to select from the following 6 modes:

1. **Home (Maison):** Manage your pet's daily needs, such as feeding, brushing, and dressing it up.
2. **Shop (Boutique):** Purchase accessories and items for your pet using in-game currency earned through playing.
3. **Health Center (Centre Santé):** Take your pet to the vet for check-ups or when it's feeling unwell.
4. **Games (Jeux):** Play various mini-games with your pet to earn points and keep it entertained.

- 5. **Walk (Promenade):** Take your pet for a virtual walk and explore different environments.
- 6. **Connection (Connexion):** Connect with other Kidipet Touch devices via infrared to exchange gifts and let your pets meet.

Alarm and Clock Function

The Kidipet Touch features a built-in clock and alarm function. You can set an alarm to wake you up, and your virtual pet will also be ready to start the day.

MAINTENANCE

- **Cleaning:** To clean the device, wipe it with a slightly damp cloth. Do not use harsh chemicals or abrasive cleaners. Ensure the device is completely dry before use.
- **Storage:** Store the Kidipet Touch in a cool, dry place away from direct sunlight and extreme temperatures. If the device will not be used for an extended period, remove the batteries to prevent leakage.
- **Water Exposure:** This device is not waterproof. Avoid exposing it to water or other liquids.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Batteries are low or incorrectly installed.	Replace with new LR03 (AAA) batteries, ensuring correct polarity.
Screen is blank or unresponsive.	Device may have frozen or batteries are low.	Remove and reinsert batteries to reset the device. If issue persists, replace batteries.
Sound is not working.	Volume may be turned down or muted.	Check volume settings within the device. Ensure batteries are not low.
Cannot connect with another Kidipet Touch.	Devices are too far apart or not aligned correctly for infrared connection.	Ensure both devices are within close proximity (a few centimeters) and their infrared ports are facing each other.
