IMPORTANT SAFETY INFORMATION

- **Do not swallow.**
- **Avoid contact with eyes.**
- **If ingested, seek medical attention immediately.**

- Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

SETUP

The Crest Pro-health Multi-protection Alcohol Free Rinse is ready for immediate use upon purchase. No assembly or special preparation is required beyond opening the bottle.

1. Ensure the bottle is sealed upon first use.
2. Twist the cap counter-clockwise to open. The cap also serves as a measuring cup.

OPERATING INSTRUCTIONS

For optimal results, use Crest Pro-health Multi-protection Alcohol Free Rinse as part of your daily oral hygiene routine.

1. Pour 20ml (approximately 4 teaspoons) of mouthwash into the cap.
2. Rinse thoroughly around your mouth for 30 seconds.
3. Spit out the mouthwash. Do not swallow.
4. For best results, use twice daily, in the morning and evening, after brushing your teeth.

This product is designed for adult use.

MAINTENANCE AND STORAGE

Proper maintenance and storage ensure the longevity and effectiveness of your Crest Pro-health Multi-protection Alcohol Free Rinse.

- Store at room temperature.
- Keep out of reach of children.
- Ensure the cap is tightly closed after each use to prevent contamination and evaporation.
- Do not dilute the mouthwash with water.

TROUBLESHOOTING

Common questions and solutions regarding Crest Pro-health Multi-protection Alcohol Free Rinse.

Issue: Unpleasant taste or sensation.

Solution: The product has a mint flavor. If the taste is too strong, ensure you are using the recommended 20ml amount. If discomfort persists, discontinue use and consult a dental professional.

Issue: Accidental ingestion.

Solution: This product is not intended for ingestion. If swallowed, seek immediate medical attention or contact a poison control center.

Issue: Product appears cloudy or discolored.

Solution: If the product's appearance changes significantly from its original clear blue color, it may indicate contamination or spoilage. Discard the product and use a new bottle.
