# Plantronics Voyager Legend UC B235-M Bluetooth Headset User Manual

Model: PL-VOYAGER-LEGEND-UC-M

## INTRODUCTION

The Plantronics Voyager Legend UC B235-M Bluetooth Headset is designed for seamless communication across multiple devices, including PCs and mobile phones. It offers superior sound quality, comfort, and intelligent features for a productive experience. This manual provides detailed instructions for setting up, operating, and maintaining your headset.

Front view of the Plantronics Voyager Legend UC B235-M Bluetooth Headset.

## WHAT'S IN THE Box

Your Plantronics Voyager Legend UC B235-M package includes the following items:

- Plantronics Voyager Legend UC Headset
- Charging Case
- USB Receiver
- USB Charging Cables

All components included in the Plantronics Voyager Legend UC B235-M package.

## SETUP

### 1. Charging the Headset

Before first use, fully charge your headset. Connect the charging cable to the headset and a USB power source. The LED indicator on the headset will show charging status.

### 2. Pairing with a Mobile Device

1. Turn on the headset by sliding the power switch.
2. Activate Bluetooth on your mobile device.
3. Put the headset into pairing mode (refer to the headset's specific pairing instructions, usually by holding the call button until the LED flashes red/blue).
4. Select "Plantronics Voyager Legend UC" from the list of available devices on your phone.
5. If prompted, enter "0000" for the passcode.

### 3. Connecting to a PC (USB Receiver)

1. Insert the USB receiver into an available USB port on your computer.
2. The computer will automatically detect and install the necessary drivers.
3. Ensure the headset is powered on and within range of the USB receiver. The headset and receiver should automatically connect.

## OPERATING INSTRUCTIONS

### Call Management

- **Answer/End Call:** Press the Call button.
- **Reject Call:** Press and hold the Call button for 2 seconds.
- **Redial:** Double-tap the Call button.
- **Mute/Unmute:** Press the Mute button.

### Volume Control

Adjust the volume using the Volume Up (+) and Volume Down (-) buttons located on the headset.

Side view of the headset highlighting control buttons.

### Voice Commands

When a call comes in, the headset will announce "Incoming call" and the caller's name (if enabled). You can say "Answer" or "Ignore" to manage the call. To activate voice commands for other functions, press the Voice button.

## MAINTENANCE

- Cleaning:** Wipe the headset with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Storage:** Store the headset in its charging case when not in use to protect it and keep it charged.
- Battery Life:** For optimal battery life, avoid fully discharging the headset frequently. Charge it regularly.

## TROUBLESHOOTING

Problem	Solution
Headset not pairing	Ensure the headset is in pairing mode. Turn off and on Bluetooth on your device. Try restarting both devices.
No audio	Check headset volume and device volume. Ensure the headset is selected as the audio output device on your computer or phone.
Poor sound quality	Move closer to your connected device. Ensure there are no obstructions between the headset and the device. Check for interference from other wireless devices.
Headset not charging	Verify the charging cable and power source are working. Ensure the headset is properly seated in the charging case or connected to the cable.

## SPECIFICATIONS

Feature	Detail
Model Name	Voyager Legend UC
Connectivity Technology	Bluetooth
Bluetooth Version	5.0
Talk Time	Up to 7 hours (headset), up to 21 hours (with charging case)
Standby Time	Up to 11 days
