GlowCity FBA_LED_Soccer Ball

GlowCity Glow in The Dark Soccer Ball User Manual

Model: FBA_LED_Soccer Ball

1. INTRODUCTION AND OVERVIEW

Welcome to the exciting world of night soccer with your new GlowCity Glow in The Dark Soccer Ball! This innovative soccer ball is designed to extend playtime into the evening hours, featuring bright LED lights that activate upon impact. Enjoy enhanced visibility and endless fun, whether playing indoors or outdoors.

- **Bright LED Illumination:** Equipped with 2 LED lights for up to 30 hours of vibrant glow.
- **Impact-Activated:** Lights up automatically with a bounce or kick.
- **Automatic Shutoff:** Lights turn off when not in use to conserve battery life.
- **Durable Construction:** Made with a sturdy rubber exterior for long-lasting play.
- **Pre-Installed Batteries:** Ready for play right out of the box, with extra batteries included.

2. SETUP

Your GlowCity Soccer Ball comes deflated to ensure safe transit. Follow these steps for initial setup:

1. **Inflate the Ball:** Locate the inflation valve on the ball. Using a standard ball pump (not included), moisten the needle and carefully insert it into the valve. Inflate the ball to the recommended pressure of 7-9 PSI (pounds per square inch). Do not over-inflate.
2. **Activate Lights:** The ball comes with pre-installed batteries. To activate the lights for the first time, locate the small pull-tab near the light compartment and remove it. The lights are impact-activated, so a gentle bounce or kick will turn them on.

Inflate and go

(pump not included)

**Extra
batteries
included**

Get Glowing in No Time

**Remove the battery pull-tab to activate
your ball for the first time.**

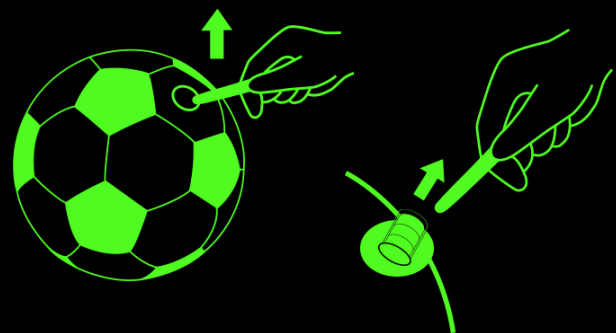

Figure 2.2: Remove the battery pull-tab to activate the lights.

3. OPERATING INSTRUCTIONS

Playing with your GlowCity Soccer Ball is straightforward:

- **Activation:** The LED lights inside the ball are impact-activated. Simply kick, bounce, or handle the ball to turn on the bright glow.
- **Automatic Shutoff:** To conserve battery life, the lights will automatically turn off after approximately 40 seconds of inactivity. This feature ensures maximum playtime from each set of batteries.

Figure 3.1: The ball lights up upon impact, perfect for evening play.

Figure 3.2: Enjoy soccer even after dark with the illuminated ball.

4. MAINTENANCE

Proper care will ensure the longevity of your GlowCity Soccer Ball:

- **Cleaning:** Wipe the ball clean with a damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Water Resistance:** The ball is designed for everyday water resistance against splashes and minor submersion. However, avoid prolonged submersion in water to prevent damage to the internal electronics. If the ball gets wet, dry it thoroughly before storage.
- **Battery Replacement:** The ball comes with extra batteries. To replace the batteries, use the included battery tool to carefully open the light compartment. Replace the old batteries with new ones, ensuring correct polarity. Close the compartment securely.

Designed For Everyday Water Resistance

Avoid prolonged submersion

Figure 4.1: The ball is designed for water resistance, but avoid prolonged submersion.

Impact Activated

Take a shot or make a pass to activate the bright LED light protected inside your ball.

Figure 4.2: Easily replace batteries using the provided tool.

5. TROUBLESHOOTING

Problem	Possible Cause	Solution
Lights do not turn on.	Battery pull-tab still in place.	Remove the battery pull-tab.
Lights are dim or flicker.	Low battery power.	Replace batteries with new ones.
Ball does not hold air.	Improper inflation or valve issue.	Ensure needle is moistened before inflation. Check valve for damage.
Lights turn off too quickly.	Normal automatic shutoff.	This is a feature to conserve battery life. Re-activate by impact.

6. SPECIFICATIONS

Feature	Detail
Brand	GlowCity
Model Name	FBA_LED_Soccer Ball
Material	Nylon, Rubber Exterior
Color	White/Red (Glowes Red)
Size	Official (Size 5)
Item Weight	1 Pound
Item Diameter	34 Centimeters
Light Source	2 LED Lights
Battery Life	Up to 30 hours per set
Construction Type	Stitched

7. SAFETY INFORMATION

Please read and adhere to the following safety guidelines:

- **Adult Supervision:** Always ensure adult supervision during play, especially when children are handling the ball or when replacing batteries.
- **Battery Safety:** This product contains button or coin cell batteries. A swallowed button or coin cell battery can cause internal chemical burns in as little as two hours and lead to death. Dispose of used batteries immediately. Keep new and used batteries away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.
- **Inflation Safety:** Do not over-inflate the ball, as this may cause damage or rupture.
- **Playing Surface:** While durable, avoid playing on extremely rough or sharp surfaces that could puncture or damage the ball.
- **Choking Hazard:** Keep small parts, such as batteries and the battery tool, out of reach of small children.
