Step2 All-Star Sports Climber: Kids Indoor/Outdoor Playset Instruction Manual

Model: 834600

INTRODUCTION

The Step2 All-Star Sports Climber is designed to provide a fun and active play experience for children aged 3-6 years. This versatile playset combines multiple sports activities with climbing and sliding features, promoting physical development and imaginative play. It is suitable for both indoor and outdoor use, offering hours of entertainment.

FEATURES

- **Multi-Sport Activities:** Includes a basketball hoop, football toss, and soccer goal to encourage diverse sports play.
- **Climbing Ladder:** Features easy-entry steps with sure-grip rails for safe climbing, enhancing motor skills and balance.
- **Slide:** A generously sized slide provides an exciting descent.
- **Built-in Score Keeper:** Allows children to track scores during basketball games.
- **Crawl-Through Space:** Offers a hideaway area underneath for imaginative play.
- **Durable Construction:** Made from double-walled plastic for long-lasting use, resistant to chipping, fading, cracking, or peeling.
- **Included Accessories:** Comes with an inflatable football, basketball, and soccer ball.

WHAT'S IN THE BOX

Upon opening your Step2 All-Star Sports Climber package, you should find the following components:

- Climber set with ladder and slide
- Basketball hoop attachment
- Decals
- Mini soccer ball
- Mini basketball
- Mini football

SETUP INSTRUCTIONS

While the Step2 All-Star Sports Climber is designed for straightforward assembly, adult supervision and adherence

to the included manufacturer's instructions are crucial for safety and proper construction. Ensure all parts are present before beginning.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify that all items listed in the 'What's in the Box' section are present.
2. **Assemble Main Structure:** Follow the manufacturer's guide to snap together the main climber components. Many pieces are designed to fit securely without tools.
3. **Attach Ladder and Slide:** Securely attach the climbing ladder and slide to the main structure. These sections typically require screws for stability. Ensure all screws are tightened appropriately.
4. **Install Basketball Hoop and Decals:** Attach the basketball hoop to its designated position. Apply any included decals according to the instructions for a complete look.
5. **Final Inspection:** Before allowing children to play, thoroughly inspect the entire playset to ensure all connections are secure, screws are tight, and there are no loose parts or sharp edges.

The Step2 All-Star Sports Climber offers multiple ways for children to engage in active play:

- **Climbing:** Children can use the blue climbing ladder with its textured steps and handholds to reach the top platform.
- **Sliding:** From the platform, children can slide down the orange slide. Always ensure the landing area is clear.
- **Basketball:** Use the included mini basketball to practice shooting hoops. The playset features a built-in scorekeeper for friendly competition.
- **Football Toss:** Utilize the designated opening on the red panel to practice throwing the mini football.
- **Soccer Goal:** The yellow base of the playset includes a soccer goal for kicking practice with the mini soccer ball.
- **Imaginative Play:** The crawl-through space underneath the platform can be used as a fort or hideaway, encouraging creative scenarios.

MAINTENANCE

- **Cleaning:** Clean the playset regularly with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the plastic.
- **Inspection:** Periodically check all connections, screws, and structural components for tightness and wear. Replace any damaged parts immediately.
- **Outdoor Use:** While durable, prolonged exposure to extreme weather conditions may affect the playset's appearance over time. Consider placing it in a shaded or covered area to preserve color vibrancy.
- **Ball Care:** The inflatable balls may require occasional re-inflation. Use a standard ball pump with a needle adapter.

TROUBLESHOOTING

- **Playset Instability:** If the playset feels wobbly, re-check all assembly points and ensure all screws are securely fastened. Ensure it is placed on a flat, level surface.
- **Missing Screw Holes:** In rare instances, some units may lack pre-drilled screw holes. If encountered, carefully drill pilot holes as indicated in the assembly manual before inserting screws.
- **Faded Colors:** Over time, direct sunlight can cause colors to fade. This is cosmetic and does not affect structural integrity. To minimize fading, store the playset indoors or in a shaded area when not in use.

SPECIFICATIONS

Attribute	Detail
Brand	Step2
Model Number	834600
Material	Plastic
Color	Yellow, Red, Orange, Blue
Product Dimensions	30 x 63 x 43 inches
Item Weight	33 Pounds
Maximum Weight Recommendation	60 Pounds
Age Range (Description)	3-6 Years Old
