# Homelegance Marille Reclining Loveseat with Center Console - Instruction Manual

Brand: Homelegance | Model: 9724BLK-2

## INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Homelegance Marille Reclining Loveseat. Please read all instructions carefully before use to ensure safe and proper functionality. This loveseat is designed for comfort and convenience, featuring dual reclining seats and a center console with cup holders and storage.

## SAFETY INFORMATION

### Important Safety Warnings:

- Keep away from naked flame or direct heat source.
- Do not allow horseplay on or under the loveseat.
- Prohibit jumping on the loveseat.
- Ensure adequate clearance around the loveseat when reclining to prevent obstruction or injury.

## PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. The package should contain the following main parts:

- Loveseat Seat Base
- Two Backrests
- Two Armrests
- Center Console Unit
- Assembly Hardware (if applicable, typically pre-attached or minimal)

*Note: Minor assembly is required.*

## SETUP AND ASSEMBLY

Assembly of the Homelegance Marille Reclining Loveseat is straightforward and typically requires two people for ease and safety.

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
2. **Attach Backrests:** Align the metal brackets on the backrests with the corresponding receivers on the loveseat seat base. Slide the backrests down firmly until they lock into place.
3. **Attach Armrests:** If separate, slide the armrests onto their designated slots on the sides of the loveseat until securely fastened.
4. **Position Center Console:** Place the center console between the two seats, ensuring it is properly aligned and stable.
5. **Final Check:** Verify that all components are securely attached and the loveseat is stable before use.

**Image 1:** Loveseat dimensions. The loveseat measures 77 inches wide, 38.5 inches deep, and 39.5 inches high. These dimensions are crucial for planning placement in your living space.

## OPERATING INSTRUCTIONS

---

The Homelegance Marille Reclining Loveseat offers comfortable reclining functionality and convenient features.

### Reclining Function

Each seat on the loveseat operates independently, allowing individual users to recline to their preferred position. The reclining mechanism is activated by a classic pull handle located on the side of each seat.

- **To Recline:** Locate the pull handle on the outer side of your seat. Pull the handle firmly to release the footrest. Lean back gently to engage the reclining mechanism. The loveseat offers three reclining positions for varied comfort.
- **To Return Upright:** Push your body forward and use your legs to push the footrest back into its closed position. The backrest will return to the upright position.

### Center Console with Cup Holders and Storage

The integrated center console provides added convenience.

- **Cup Holders:** The console features two recessed cup holders designed to securely hold beverages.
- **Hidden Storage:** The top of the center console can be lifted to reveal a hidden storage compartment, ideal for remote controls, magazines, or other small items.

## MAINTENANCE

---

Proper care and maintenance will extend the life and appearance of your loveseat.

- **Cleaning:** For general cleaning, wipe the faux leather upholstery with a dry cloth. For deeper cleaning, use a soft brush or vacuum to remove dust and debris.
- **Spills:** Immediately blot any spills with a clean, dry cloth. Avoid rubbing, which can spread the stain.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the upholstery.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading and material degradation.

## TROUBLESHOOTING

---

If you encounter any issues with your Homelegance Marille Reclining Loveseat, please refer to the following common troubleshooting tips:

- **Reclining Mechanism Not Engaging:** Ensure the pull handle is fully engaged. Check for any obstructions under the footrest or behind the backrest.
- **Squeaking Noises:** Over time, moving parts may develop minor squeaks. Apply a small amount of silicone-based lubricant to the pivot points of the reclining mechanism.
- **Stability Issues:** Verify that all assembly connections are secure. If the loveseat feels wobbly, re-tighten any accessible bolts or connections.
- **Console Lid Not Closing Properly:** Check for any items obstructing the closing mechanism of the storage compartment.

If problems persist after attempting these solutions, please contact customer support.
