Coaster Fine Furniture 202411F

Coaster Fine Furniture Louis Philippe Full Size Sleigh Bed Frame (Model 202411F) Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Coaster Fine Furniture Louis Philippe Full Size Sleigh Bed Frame, Model 202411F. Please read these instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- Always assemble the bed frame on a soft, clean surface to prevent damage to the product or your flooring.
- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or broken.
- Tighten all fasteners securely, but do not overtighten, as this may strip threads or crack wood.
- Periodically check all connections to ensure they remain tight.
- Keep small parts away from children during assembly.
- Do not stand or jump on the bed frame.
- Use the bed frame only for its intended purpose.

PACKAGE CONTENTS

Verify that all the following components are included in your package:

- One (1) Headboard
- One (1) Footboard
- Two (2) Side Rails
- Set of Slats with support legs
- Hardware Pack (bolts, washers, nuts, Allen wrench)

ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your bed frame. It is recommended to have two people for assembly.

- 1. Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface. Refer to the parts list to ensure all pieces are present.
- 2. Attach Side Rails to Headboard:** Align the pre-drilled holes on one end of a side rail with the corresponding holes on the headboard. Insert the appropriate bolts and washers, then secure with nuts. Do not fully tighten yet. Repeat for the other side rail.
- 3. Attach Side Rails to Footboard:** With the side rails attached to the headboard, align the free ends of the side rails with the footboard. Insert bolts and washers, then secure with nuts. Once all four connections are made, gently tighten all bolts using the provided Allen wrench.
- 4. Install Slats:** Place the wooden slats across the width of the bed frame, resting them on the support ledges of the side rails. Ensure the support legs attached to the slats are positioned centrally and are touching the floor. Some slats may require screwing into the side rails for added stability; use the provided screws if applicable.
- 5. Final Check:** Ensure all bolts are securely tightened and the bed frame is stable.

Figure 2: Rear view illustrating the slat and support leg placement.

OPERATING INSTRUCTIONS

Once assembled, your Coaster Fine Furniture Louis Philippe Full Size Sleigh Bed Frame is ready for use.

- Place your full-size mattress directly onto the installed slats.
- Ensure the mattress is centered and fully supported by the slats.
- Regularly check the stability of the bed frame and tighten any loose connections as needed.

Figure 3: The bed frame ready for use with a mattress and bedding.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your bed frame, follow these care instructions:

- **Cleaning:** Clean the bed frame using a damp cloth. Avoid using strong chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Dusting:** Regularly dust with a soft, dry cloth.
- **Protection:** Avoid direct sunlight and extreme temperature changes, which can cause wood to fade or crack.
- **Stability Check:** Periodically inspect all bolts and connections to ensure they are tight. Retighten as necessary.

TROUBLESHOOTING

If you encounter issues with your bed frame, refer to the following common problems and solutions:

- **Squeaking Noises:**
 - Ensure all bolts connecting the headboard, footboard, and side rails are securely tightened.
 - Check that the slats are properly seated and not rubbing against the side rails.
 - Verify that the center support legs for the slats are firmly on the floor and evenly distributed.
- **Bed Frame Feels Unstable:**
 - Re-check all assembly connections. Loose bolts are a common cause of instability.
 - Ensure the bed frame is on a level surface.
- **Slats Popping Out or Breaking:**

- Ensure the slats are correctly positioned within the side rail ledges.
- Verify that the slat support legs are intact and providing adequate central support. If legs are broken, contact customer support for replacement parts.
- Avoid excessive weight or impact on the bed, which can damage slats.

• **Missing Parts:**

- If parts were missing upon initial unboxing, contact Coaster Fine Furniture customer support immediately with your model number and purchase details.

SPECIFICATIONS

Brand	Coaster Fine Furniture
Model Number	202411F
Size	Full
Product Dimensions	84.5"L x 56.25"W x 47.25"H
Color	Cappuccino
Finish Type	Brown
