SAFETY INFORMATION

Please read all instructions carefully before beginning assembly. Keep all hardware and packaging materials out of reach of children. Assembly should be performed on a soft, clean surface to prevent scratching. Due to the size and weight of the desk, it is recommended that two or more people assist with assembly and moving the assembled unit.

- Ensure all parts are present and undamaged before starting.
- Use only the provided hardware.
- Do not overtighten screws, as this may damage the material.
- Place the desk on a level surface to prevent wobbling.
- Keep small parts away from children to avoid choking hazards.

PARTS LIST AND PREPARATION

Before beginning assembly, unpack all components and verify them against the included parts list in your instruction booklet. Lay out all pieces on a clean, soft surface to prevent scratches. Organize hardware by type to streamline the assembly process.

ASSEMBLY INSTRUCTIONS

Assembly of the Sauder Palladia L-Shaped Desk typically requires approximately 5-8 hours for one person. Having a second person assist, especially with lifting and aligning larger sections, is highly recommended. Follow the step-by-step instructions provided in your physical manual for detailed guidance.

Key Assembly Points:

- **Keyboard Tray/Drawer:** The large drawer/shelf with a flip-down panel for your laptop or keyboard/mouse can be installed on either the left or right side of the L-shaped configuration to suit your preference.
- **File Drawer:** The lower file drawer features full extension slides and is designed to accommodate both letter and legal-size hanging files. Ensure the slides are correctly aligned during installation for smooth operation.
- **Storage Drawers:** The three additional storage drawers operate on smooth metal runners with safety stops.
- **CPU Tower Storage:** A dedicated storage area behind a door includes an adjustable shelf, perfect for housing a vertical CPU tower or other office equipment.
- **Cable Management:** The desk top is equipped with grommet holes to help manage and route electrical cords, keeping your workspace tidy.

OPERATING INSTRUCTIONS

Once assembled, your Sauder Palladia L-Shaped Desk is ready for use.

- **Keyboard Tray:** Gently pull the front panel of the keyboard drawer to extend the tray. Push it back in until it clicks into place to retract.
- **Drawers:** Pull the drawer handles to open. Push firmly to close completely. The file drawer has full extension slides for easy access to contents.
- **CPU Cabinet:** Open the cabinet door to access the storage area. The adjustable shelf can be repositioned by removing the shelf pins and inserting them into desired holes.

- **Cable Management:** Utilize the grommet holes on the desk surface to route power cords and data cables, keeping them organized and out of sight.

MAINTENANCE

To ensure the longevity and appearance of your Sauder Palladia L-Shaped Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters or protective pads under drinks and hot dishes.
- **Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration.
- **Hardware:** Periodically check and tighten all hardware to ensure stability.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk wobbles	Uneven floor or loose hardware.	Ensure the desk is on a level surface. Check and tighten all assembly hardware.
Drawers stick or do not close smoothly	Misaligned slides or obstructions.	Verify that drawer slides are correctly installed and free of debris. Check for any items obstructing the drawer's path.
Minor scratches or blemishes	Normal wear and tear or minor impact.	For minor scratches, a furniture repair marker or polish matching the Select Cherry finish may be used.
