

PINOLINO 221452

Pinolino Momo Market Stall Instruction Manual

Model: 221452

1. INTRODUCTION

Thank you for choosing the Pinolino Momo Market Stall. This product is designed to provide children aged 2 to 8 years with an engaging and imaginative role-playing experience. Crafted from solid spruce wood, this market stall features a robust construction and a playful design, encouraging creativity and social skill development. This manual provides essential information for the safe assembly, operation, and maintenance of your market stall. Please read it carefully before assembly and retain it for future reference.

2. SAFETY INFORMATION

- **Adult Supervision:** This product must be used under the direct supervision of an adult.
- **Assembly:** Ensure all parts are correctly assembled and tightened before allowing children to play. Regularly check for loose screws or components.
- **Stability:** The market stall is designed to be particularly stable. However, ensure it is placed on a flat, level surface to prevent tipping. Do not allow children to climb on the structure.
- **Material Safety:** The market stall is made from solid wood with child-safe lacquers. Regularly inspect the wood for splinters or damage.
- **Choking Hazard:** Keep small parts and packaging materials away from young children during and after assembly.

For additional safety details, please refer to any included safety information documents provided with your product.

3. SETUP AND ASSEMBLY

Assembly of the Pinolino Momo Market Stall is required. Please follow these general steps, referring to the specific assembly instructions and diagrams included in your product packaging for detailed guidance.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the parts list are present and undamaged.

2. **Prepare Workspace:** Choose a clean, flat, and spacious area for assembly. You may need basic tools such as a screwdriver (not included).
3. **Assemble Frame:** Begin by assembling the main wooden frame according to the provided diagrams. Ensure all connections are secure.
4. **Install Counter:** The counter can be mounted on either the right or left side of the stall. Choose your preferred orientation and attach it firmly.
5. **Attach Drawers and Shelves:** Insert the four large drawers into their designated slots and attach any additional shelves or decorative elements.
6. **Final Check:** Once assembled, ensure all screws are tightened, and the structure is stable. There should be no wobbling or loose parts.

This image displays the fully assembled Pinolino Momo Market Stall. It features a white wooden structure with green and blue accents, a counter, and shelves, ready for play.

4. OPERATING INSTRUCTIONS

The Pinolino Momo Market Stall is designed for imaginative play. Children can use it to simulate buying and selling goods, fostering creativity and social interaction.

- **Role-Playing:** Encourage children to use the counter and shelves to display play food, toys, or other items for their market.
- **Drawers:** The four large drawers can be used to store play money, small items, or to organize market goods.
- **Interaction:** The open design allows multiple children to play together, promoting communication and cooperation.

Always ensure children play safely and responsibly, under adult supervision.

5. MAINTENANCE

Proper maintenance will ensure the longevity and safety of your Pinolino Momo Market Stall.

- **Cleaning:** Wipe the wooden surfaces with a slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the paint and wood finish.
- **Inspection:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary.
- **Wood Care:** As it is made of solid wood, avoid prolonged exposure to direct sunlight or extreme humidity, which can cause warping or cracking.
- **Damage:** If any part of the market stall becomes damaged, discontinue use immediately and contact customer support for replacement parts or repair advice.

6. TROUBLESHOOTING

Here are some common issues and their potential solutions:

- **Missing Parts:** If you find any parts are missing upon unpacking, please check all packaging materials thoroughly. If still missing, contact Pinolino customer support immediately with your product model number and a description of the missing part.
- **Instability/Wobbling:** Ensure the market stall is placed on a completely flat and level surface. Re-check all assembly connections and tighten any loose screws.
- **Wood Splinters/Rough Edges:** While the product is designed to be smooth, occasionally minor imperfections can occur. Carefully sand any rough spots with fine-grit sandpaper if necessary, or contact customer support if the issue is significant.
- **Paint Imperfections:** Minor paint variations are normal for wooden products. If there are significant paint defects, please contact customer support.

7. SPECIFICATIONS
