MAINTENANCE

Proper maintenance ensures the longevity and safety of your Graco DuetSoothe Swing and Rocker:

- **Fabric Care:** Machine wash the cloth seat pad in cold water on a delicate cycle. Line dry. Do not use bleach.
- **Frame Cleaning:** Clean the swing frame with household soap and water. Spot or wipe clean as needed.

TROUBLESHOOTING

If you encounter issues with your Graco DuetSoothe Swing and Rocker, consider the following:

- **No Power/Functionality:**
 - Ensure the unit is properly plugged into a working electrical outlet.
 - If using batteries, check that they are correctly installed and not depleted. Replace batteries if necessary.
- **Irregular Swinging/Vibration:**
 - Verify that the swing is on a flat, level surface.
 - Check for any obstructions around the swing mechanism.
 - Ensure the baby's weight is within the recommended limits (up to 30 lbs).
- **Sound Issues:**
 - Adjust the volume controls on the unit.
 - Cycle through different melodies and sounds to ensure functionality.

For persistent issues, please refer to the detailed troubleshooting section in the official user manual.
