Blanco Zenar XL 6 S Kitchen Sink Instruction Manual

Model: 519266

PRODUCT OVERVIEW

The Blanco Zenar XL 6 S Steamer Plus Kitchen Granite Sink, model 519266, is designed for modern kitchens, offering a blend of timeless aesthetics and practical functionality. Crafted from durable Silgranit PuraDur, this sink features an extra-large basin and a spacious draining area, making it ideal for various kitchen tasks.

Key Features

- **Extra-large basin** for comfortable use.
- **Spacious draining area** for efficient drying.
- **Continuous tap ledge** providing ample space for faucet and accessories.
- **Noble and hygienic C-overflow** design, discreetly integrated.
- **All-round flat edge** for a sleek, integrated look.
- Constructed from **Silgranit PuraDur** in Jasmin color, known for its durability and easy maintenance.

Included Accessories

- **Glass cutting board:** High-quality, designed to slide across the entire length of the sink.
- **Functional bowl:** Can be freely positioned within the basin for added utility.
- **Draining set** with space-saving pipe.
- **3 1/2" strainer basket waste.**
- **Remote pop-up control** for convenient drain operation.

SETUP AND INSTALLATION

Proper installation is crucial for the optimal performance and longevity of your Blanco sink. It is recommended that installation be performed by a qualified professional. Ensure all necessary plumbing connections are made according to local building codes.

Dimensions and Cutout Information

Refer to the following diagrams for precise dimensions and countertop cutout requirements. Accurate measurements are essential for a proper fit.

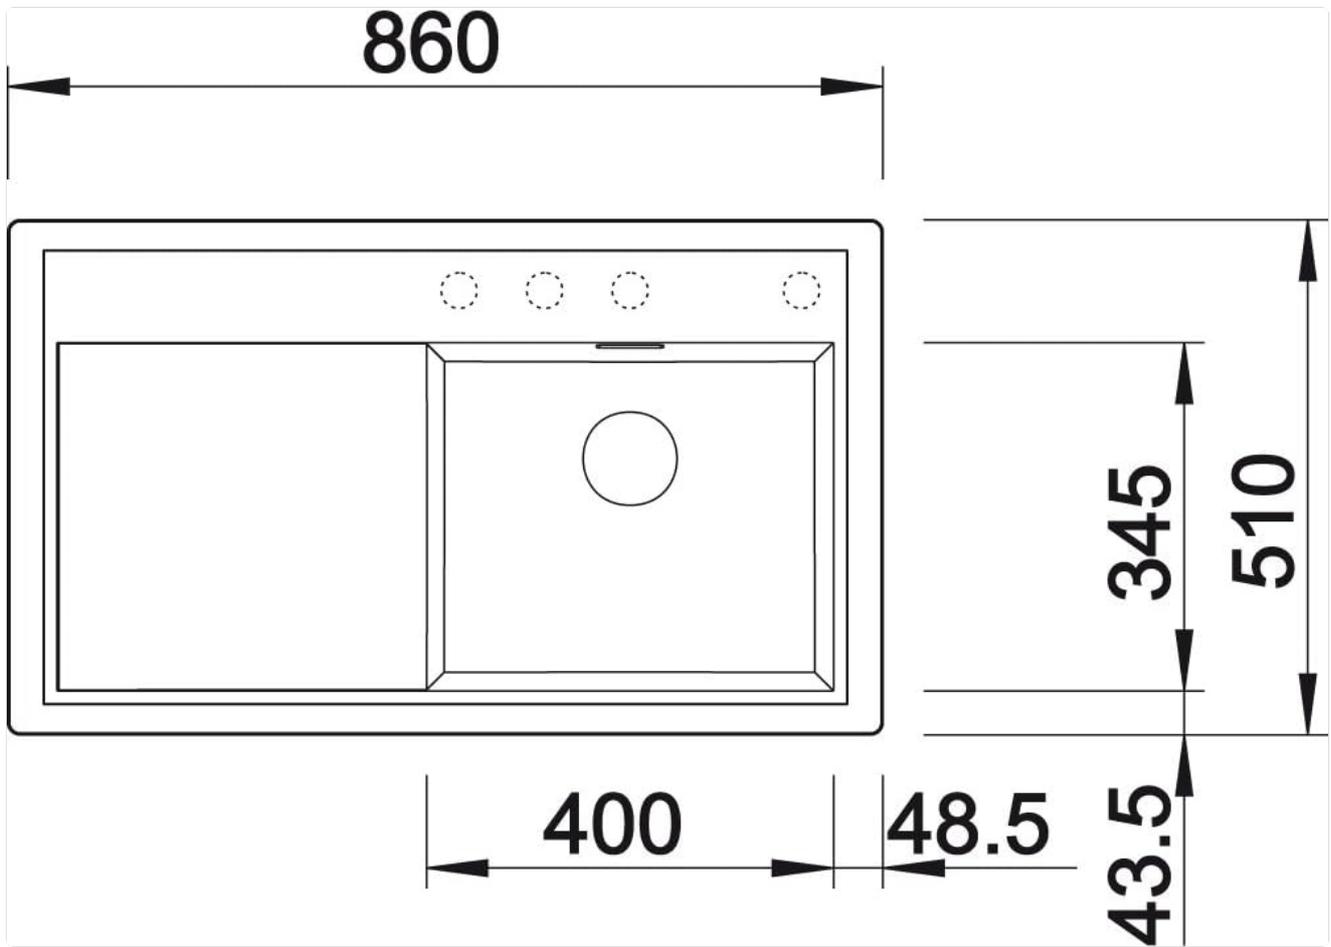

Figure 2: Top view dimensions of the sink (860mm width, 510mm depth).

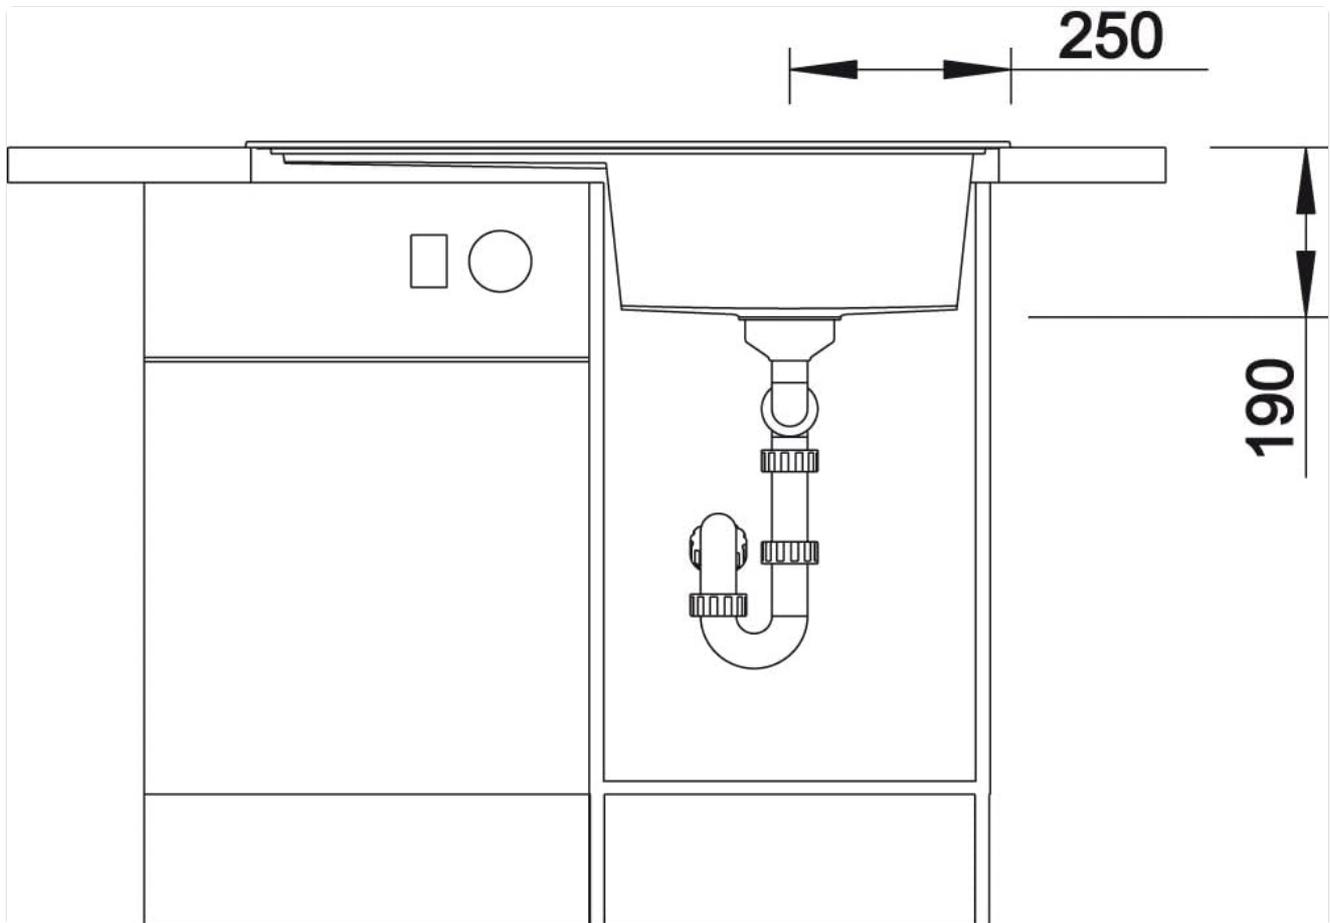

Figure 3: Side view dimensions, indicating a sink depth of 190mm from the top edge.

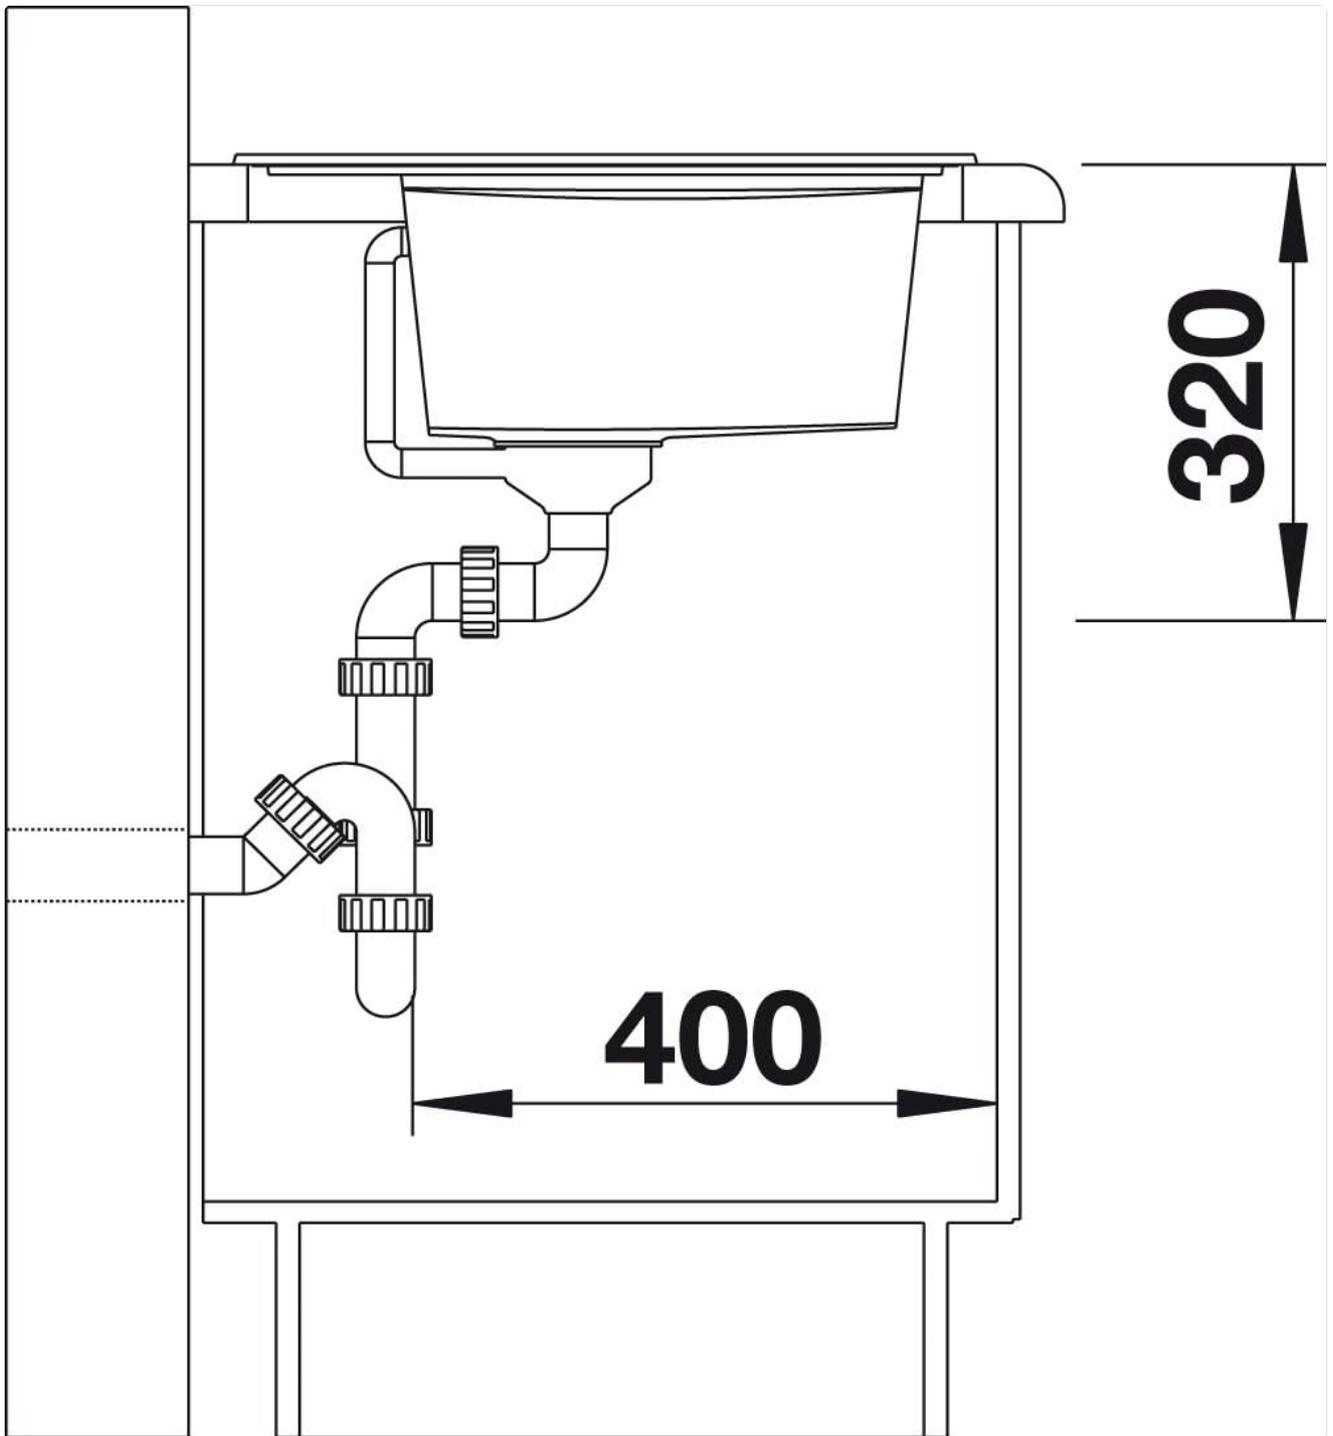

Figure 4: Detailed side view showing the total height of the sink assembly, approximately 320mm from the bottom of the basin to the top edge.

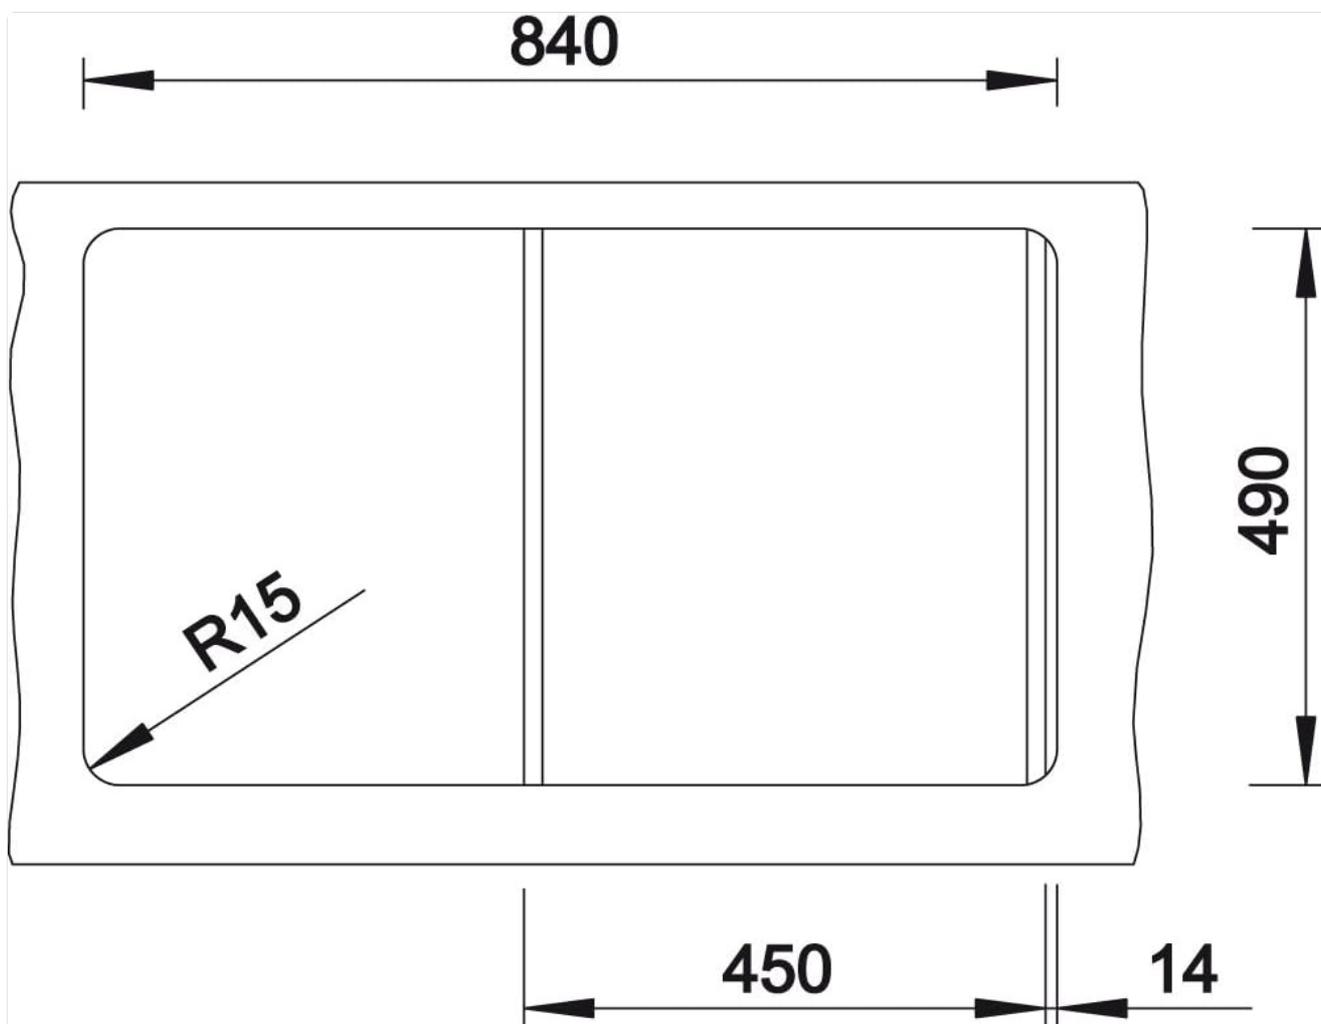

Figure 5: Countertop cutout dimensions (840mm x 490mm) with R15 corner radius.

OPERATING INSTRUCTIONS

Your Blanco Zenar XL 6 S sink is designed for ease of use in daily kitchen activities. Familiarize yourself with its features to maximize convenience.

- **Using the Glass Cutting Board:** The high-quality glass cutting board can be slid along the entire length of the sink, providing a versatile workspace. Position it over the basin or draining area as needed.
- **Positioning the Functional Bowl:** The included functional bowl can be placed freely within the main basin, useful for washing small items, draining, or holding utensils.
- **Remote Pop-Up Control:** Use the remote pop-up control knob, typically located on the tap ledge, to open and close the drain without needing to reach into the basin. Turn the knob to operate the strainer basket waste.
- **Strainer Basket Waste:** Ensure the strainer basket is properly seated to prevent debris from entering the drain. Clean it regularly to maintain optimal drainage.

CARE AND MAINTENANCE

To maintain the pristine appearance and functionality of your Blanco Silgranit PuraDur sink, follow these simple care instructions:

- **Daily Cleaning:** After each use, wipe the sink surface with a dry cloth to prevent water spots and mineral buildup.
- **Regular Cleaning:** For general cleaning, use a mild dish soap and a soft sponge or cloth. Rinse thoroughly

with water and dry.

- **Stain Removal:** For stubborn stains, use a non-abrasive cleaner specifically designed for granite composite sinks. Avoid harsh chemicals, abrasive pads, or steel wool, as these can damage the surface.
- **Preventing Damage:** Avoid dropping heavy or sharp objects into the sink, which could cause chipping or cracking. Do not expose the sink to extreme temperature changes, such as pouring boiling water directly onto a frozen surface.
- **C-overflow Maintenance:** Periodically clean the hidden C-overflow to ensure proper drainage and hygiene.
- **Glass Cutting Board Care:** Wash the glass cutting board with dish soap and water. It is dishwasher safe.

TROUBLESHOOTING

This section addresses common issues you might encounter with your sink. For problems not listed here, please contact customer support.

- **Slow Drainage:** Check the strainer basket for food debris or blockages. If the issue persists, the P-trap or drain pipe may require cleaning.
- **Water Spots/Mineral Buildup:** This is common in hard water areas. Regular wiping with a dry cloth after use helps. For existing buildup, use a solution of white vinegar and water, let it sit briefly, then scrub and rinse.
- **Discoloration/Stains:** Ensure you are cleaning regularly as per the "Care and Maintenance" section. For deep stains, specialized Silgranit cleaners are available. Avoid leaving highly pigmented foods (e.g., coffee, tea, red wine) in contact with the surface for extended periods.
- **Pop-Up Control Malfunction:** Check for any obstructions in the drain mechanism. If the remote control is not operating smoothly, it may require adjustment or cleaning of the cable mechanism.

SPECIFICATIONS

Attribute	Detail
Brand	BLANCO
Model Number	519266
Color	Jasmin
Material	Silgranit PuraDur (Granite Composite)
Product Dimensions (Overall)	860mm (W) x 510mm (D) x 190mm (H) / 33.86" (W) x 20.08" (D) x 7.48" (H)
