PicassoTiles PT60

PicassoTiles 60 Piece Set (Model PT60) Instruction Manual

Creativity Beyond Imagination: Magnetic 3D Building Tiles

1. Introduction

Welcome to the world of PicassoTiles! This 60-piece magnetic building tile set is designed to encourage creativity and STEM learning in children aged 3 and up. These tiles allow for the construction of various 2D and 3D shapes and structures, fostering imaginative play and problem-solving skills. The set is ideal for individual play or group activities, providing engaging entertainment for hours.

2. What's in the Box

Your PicassoTiles 60 Piece Set includes a variety of magnetic tiles in different shapes and colors, designed for versatile construction. The exact composition of the 60 pieces typically includes:

- Various square tiles
- Various triangular tiles
- Other geometric shapes for diverse building options

3. Setup and How to Play

Getting started with your PicassoTiles is simple and intuitive, encouraging immediate creative engagement.

1. **Unpack:** Carefully remove all magnetic tiles from their packaging.
2. **Explore:** Familiarize yourself with the different shapes and colors of the tiles.
3. **Connect:** The tiles feature strong magnetic edges, allowing them to connect easily from any side. Experiment with different orientations to see how they snap together.
4. **Build:** Begin creating 2D patterns on a flat surface or construct elaborate 3D structures. The possibilities are endless, from simple cubes and pyramids to complex castles, vehicles, and abstract designs.
5. **Expand:** PicassoTiles are designed for compatibility with other popular magnetic tile brands, allowing you to seamlessly expand your collection and build even larger creations.

4. Safety Information

PicassoTiles are designed with your child's safety as a top priority. Please observe the following:

- **Recommended Age:** Suitable for children 3 years and up. Not for children under 3 years due to small parts.
- **Materials:** Our magnetic building toy set is BPA-free and non-toxic, ensuring a safe play environment.
- **Design:** Each compact tile is thoughtfully shaped with smooth edges to prevent accidental cuts or bumps during play.
- **Supervision:** Adult supervision is recommended, especially for younger children, to ensure safe and

appropriate use.

5. Care and Maintenance

To ensure the longevity and cleanliness of your PicassoTiles, follow these simple care instructions:

- **Cleaning:** Wipe the tiles with a damp cloth or a mild, non-abrasive cleaner. Avoid submerging them in water, as this may affect the magnets.
- **Storage:** Store the tiles in a dry place away from direct sunlight and extreme temperatures. Keeping them in an organized container will prevent loss and damage.
- **Handling:** While durable, avoid excessive force or dropping the tiles from significant heights to prevent cracking or magnet dislodgement.

6. Troubleshooting

If you encounter any issues with your PicassoTiles, consider the following:

- **Weak Connections:** Ensure that the tiles are properly aligned. While magnets are strong, very large or

complex structures may require additional support or a wider base to maintain stability.

- **Missing Pieces:** Count your tiles periodically to ensure all pieces are accounted for. Contact customer support if you believe pieces are missing from a new set.
- **Damaged Tiles:** If a tile becomes cracked or a magnet dislodges, discontinue use of that specific tile to prevent potential hazards.

7. Product Specifications

Model Number	PT60
Product Dimensions	2.56 x 11.02 x 18.9 inches
Item Weight	2.2 pounds
Manufacturer Recommended Age	3 years and up
Manufacturer	PicassoTiles

8. Warranty and Support

For any questions, concerns, or support regarding your PicassoTiles product, please refer to the official PicassoTiles website or contact their customer service directly. Specific warranty details may vary and are typically provided with your purchase documentation.
