2. Safety Information

Your child's safety is paramount. Please adhere to the following safety guidelines:

- **Age and Weight Limit:** This bed is suitable for children aged 18 months to 5 years. Do not exceed the recommended age or weight limits.
- **Assembly:** Ensure all components are correctly assembled and securely fastened before use. Regularly check all fittings and tighten as necessary.
- **Placement:** Position the bed away from windows, blinds, cords, and any heat sources.
- **Side Rails:** The integrated side rails are designed to prevent falls during the night. Ensure they are properly installed.
- **Choking Hazard:** Keep small parts and packaging materials away from children.
- **Supervision:** Always supervise young children, especially when they are first transitioning to a toddler bed.
- **Modifications:** Do not modify the bed in any way, as this may compromise its safety and void the warranty.
- **Mattress:** Use a mattress that fits snugly within the bed frame to prevent gaps where a child could become trapped.

3. Package Contents

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

4. Assembly Instructions

Assembly is designed to be straightforward. It is recommended that two adults assemble the bed.

1. **Preparation:** Clear a spacious area for assembly. Lay out all components and hardware. Keep the included instruction sheet handy for detailed, step-by-step diagrams.
2. **Attach Side Panels:** Secure the side panels, which include the safety rails, to the headboard and footboard using the provided hardware. Ensure all connections are tight.
3. **Install Bed Base:** Place and secure the bed base slats or panel within the frame. This forms the support for the mattress.
4. **Assemble Storage Drawers:** Construct the fabric storage drawers according to their specific instructions. These typically involve inserting base supports and securing the fabric sides.
5. **Attach Side Table:** The side table is detachable. Attach it to the designated slot on the side rail. Ensure it clicks securely into place.
6. **Final Check:** Once assembled, double-check all screws, bolts, and connections to ensure they are fully tightened and secure.

Note: Specific tools (e.g., screwdriver, Allen key) may be required and are typically included or commonly available. Refer

to the detailed assembly diagram provided in your package.

5. Operating Instructions (Usage)

5.1 Using the Bed

Once assembled, place a suitable toddler mattress (not included) onto the bed base. The bed is designed for children transitioning from a crib, offering a secure and comfortable sleeping environment with integrated side rails for protection.

5.2 Storage Drawers

The two pull-out fabric storage drawers are located beneath the bed frame. These are ideal for storing toys, books, or extra bedding, helping to keep the room tidy. Simply pull them out from under the bed when needed and push them back in for storage.

6. Maintenance and Care

Proper care will help maintain the appearance and structural integrity of your toddler bed.

- **Cleaning:** Wipe down all wooden and MDF surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish and graphics.
- **Fabric Drawers:** The fabric drawers can be spot cleaned with a mild detergent and water. Allow them to air dry completely before returning them to the bed.
- **Regular Checks:** Periodically inspect all screws, bolts, and connections to ensure they remain tight. Re-tighten if necessary to maintain stability and safety.
- **Avoid Moisture:** Protect the bed from excessive moisture and direct sunlight, which can cause warping or fading.

7. Troubleshooting

If you encounter any issues with your toddler bed, refer to the following common solutions:

- **Bed Feels Unstable:**
  - Check all assembly hardware. Ensure all screws and bolts are fully tightened.
  - Verify that all panels are correctly aligned and seated.
- **Storage Drawer Not Sliding Smoothly:**
  - Ensure the drawer is not overloaded.
  - Check for any obstructions beneath the bed or along the drawer's path.
  - Verify the drawer's base supports are correctly installed.
- **Side Table Not Attaching Securely:**
  - Ensure the side table is correctly aligned with the attachment points on the side rail.
  - Apply gentle pressure until it clicks into place. Do not force it.
- **Missing or Damaged Parts:**
  - Do not attempt to use or modify the product. Contact customer support immediately for replacement parts.
