

O2COOL FML000100045

O2COOL Deluxe Handheld Battery Powered Water Misting Fan

MODEL: FML000100045

Brand: O2COOL

Introduction

Thank you for choosing the O2COOL Deluxe Handheld Battery Powered Water Misting Fan. This portable device is designed to provide a refreshing breeze and a fine mist to help you stay cool in various environments, both indoors and outdoors. Please read this manual carefully before use to ensure proper operation and maintenance.

Product Features

- **Comfortable Cooling Mist:** Delivers a fine mist of cold water combined with a powerful fan for personal cooling.
- **Powerful One-Speed Motor:** Provides a consistent cool breeze with flexible fan blades.
- **Portable & Handheld:** Compact and lightweight design, ideal for travel and outdoor activities.
- **Battery Operated:** Requires 2 AA batteries (not included) for cordless operation.
- **Wide Mouth Opening:** Allows for easy addition of crushed or small ice cubes for enhanced cooling.

Figure 1: Key features of the O2COOL Deluxe Misting Fan.

Setup

1. Battery Installation:

- Locate the battery compartment on the back of the fan head.
- Open the compartment cover.
- Insert 2 AA batteries, ensuring correct polarity (+/-).
- Close the battery compartment cover securely.

2. Water Filling:

- Unscrew the bottom cap of the water reservoir by twisting it counter-clockwise.
- Fill the reservoir with clean water. For an even cooler mist, add crushed or small ice cubes.
- Securely screw the bottom cap back on by twisting clockwise until tight to prevent leaks.

Operating Instructions

1. **Turning On the Fan:** Press the button located on the back of the fan head to activate the fan. The fan operates at a single speed.
2. **Using the Mist Function:** Squeeze the trigger on the handle to release a fine mist of water. You can use the mist function independently or simultaneously with the fan.
3. **Combining Fan and Mist:** For maximum cooling, turn on the fan and then squeeze the mist trigger. The fan will help disperse the mist for a wider cooling effect.
4. **Turning Off the Fan:** Press the button on the back of the fan head again to turn off the fan.

Maintenance

- **Cleaning:** Wipe the exterior of the fan with a damp cloth. Do not submerge the fan in water.
- **Water Reservoir:** Empty and rinse the water reservoir after each use, especially if using ice, to prevent mold or odor buildup.
- **Battery Care:** Remove batteries if the fan will not be used for an extended period to prevent leakage.
- **Storage:** Store the fan in a cool, dry place away from direct sunlight.

Troubleshooting

Problem	Possible Cause	Solution
Fan does not turn on	Dead or incorrectly inserted batteries; loose battery cover.	Replace batteries with new AA batteries, ensuring correct polarity. Securely close the battery compartment.
Mist function not working	Empty water reservoir; clogged nozzle; pump mechanism issue.	Refill water reservoir. Check for any visible clogs in the nozzle. Ensure the pump trigger is fully depressed.
Water leakage	Bottom cap not securely tightened; damaged seal.	Ensure the bottom cap is tightly screwed on. If leakage persists, the seal may be damaged.

Specifications

- **Brand:** O2COOL
- **Model Name:** Deluxe Misting Fan
- **Model Number:** FML000100045
- **Color:** Grey
- **Power Source:** Battery Powered (2 AA batteries, not included)
- **Number of Speeds:** 1
- **Product Dimensions:** 3.74"D x 3.07"W x 10.55"H
- **Item Weight:** 0.38 Pounds
- **Material:** Plastic
- **Mounting Type:** Handheld
- **Indoor/Outdoor Usage:** Indoor, Outdoor

Safety Information

- Do not point the mist directly into eyes or electronic devices.
- Keep out of reach of small children to prevent choking hazards from small parts or misuse of batteries.
- Ensure the battery compartment is always securely closed to prevent water ingress, which can damage the device or cause battery leakage.
- Use only fresh AA batteries. Do not mix old and new batteries or different types of batteries.
- Dispose of used batteries responsibly according to local regulations.

Warranty and Support

This product is manufactured by O2COOL. For any product-related inquiries, support, or warranty information, please contact the manufacturer directly. Standard return policies typically allow for returns or replacements within 30 days of purchase. Please refer to your retailer's specific return policy for details.
