# GoPro POV Case 3.0 Small Black Instruction Manual

## 1. INTRODUCTION

The GoPro POV Case 3.0 Small Black is designed to organize and protect your GoPro camera and its essential accessories. This compact and lightweight case ensures your equipment remains secure and in optimal condition during transport and storage. It features custom-shaped compartments to fit various GoPro models and their accompanying parts.

## 2. KEY FEATURES

- **Compact and Easy to Use:** Designed for portability and quick access to your gear.
- **Perfectly Shaped Compartments:** Interior foam is precisely cut to secure your GoPro camera and various accessories.
- **Sleek and Lightweight Design:** Facilitates easy carrying without adding unnecessary bulk.
- **Protective Shell:** Provides a durable exterior to safeguard contents from impacts and scratches.

### 3. SETUP AND ORGANIZATION

---

The POV Case 3.0 features a pre-cut foam interior designed to hold your GoPro camera and accessories securely. To organize your equipment:

1. **Camera Placement:** Carefully place your GoPro camera into the designated camera slot. The foam is designed to accommodate various GoPro Hero models.
2. **Accessory Slots:** Utilize the specific cutouts for up to two BacPacs, SD cards, housing doors, and charging leads. Some foam inserts are removable to allow for larger accessories or different configurations.
3. **Additional Storage:** A mesh pocket on the lid provides extra space for smaller items such as cables, manuals, or additional memory cards. Ensure no items in the mesh pocket press against the camera lens when the case is closed.

## 4. COMPATIBILITY

This case is compatible with all GoPro cameras, including GoPro HD Hero 4, 3+, 3, and 2 models. The adaptable foam inserts allow for a snug fit for various camera housings and configurations.

## 5. SPECIFICATIONS

Attribute	Value
Product Dimensions	8.66 x 6.69 x 2.68 inches
Item Weight	14.96 ounces
Manufacturer	SP Gadgets
ASIN	B00AU0HMGA
Item Model Number	52030

## 6. MAINTENANCE

To ensure the longevity and cleanliness of your POV Case 3.0, follow these maintenance guidelines:

- **Cleaning the Exterior:** Wipe the exterior surface with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning the Interior Foam:** The foam inserts can be gently vacuumed to remove dust or debris. For spills, lightly dab with a damp cloth. Ensure the foam is completely dry before reinserting equipment.
- **Zipper Care:** Periodically check the zipper for any obstructions. If the zipper becomes stiff, apply a small amount of zipper lubricant.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures to prevent

material degradation.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your POV Case 3.0, consider the following:

- **Difficulty Closing the Case:** Ensure all items are properly seated within their designated compartments and that no accessories are protruding or misplaced. The foam is designed for a snug fit, but overfilling can prevent proper closure.
- **Loose Items:** If items feel loose, verify they are placed in the correct, corresponding foam cutouts. Some foam pieces are removable to adjust for different accessory sizes.
- **Zipper Snagging:** Check for any fabric or debris caught in the zipper teeth. Gently pull the fabric away and try to operate the zipper slowly. Do not force a stuck zipper.

## 8. WARRANTY AND SUPPORT

---

For information regarding warranty coverage, product support, or to inquire about replacement parts, please contact the manufacturer, SP Gadgets, directly through their official website or customer service channels. Keep your purchase receipt as proof of purchase for any warranty claims.
