# Dream On Me Karley Bassinet User Manual

Model: 441-BG

## INTRODUCTION

This manual provides essential instructions for the safe assembly, operation, and maintenance of your Dream On Me Karley Bassinet. Please read all instructions carefully before assembly and use. Keep this manual for future reference.

**Important Safety Warning:** Always supervise your child. Never leave your child unattended in the bassinet. Ensure all parts are correctly assembled and secured before each use. Discontinue use if any part is damaged or missing.

## PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Bassinet Frame (Aluminum)
- Bassinet Fabric Body (Polyester)
- Adjustable Double Canopy
- Mattress Pad (Dual-sided, 1-inch thick)
- Large Storage Bag
- Instruction Manual (This document)

## SETUP AND ASSEMBLY

The Karley Bassinet features a no-tool assembly process. Follow these steps to set up your bassinet:

1. **Unfold the Frame:** Carefully unfold the aluminum frame until it locks into an upright position. Ensure all locking mechanisms are engaged.
2. **Attach the Fabric Body:** Secure the polyester fabric body to the frame according to the attachment

points. Ensure it is taut and securely fastened.

3. **Insert Mattress Pad:** Place the 1-inch thick mattress pad into the bassinet. Ensure it lies flat and fits snugly within the bassinet's base.
4. **Install the Canopy:** Attach the adjustable double canopy to the designated points on the bassinet frame. The canopy can be adjusted or collapsed as needed.
5. **Attach Storage Bag:** Secure the large storage bag to the underside of the bassinet frame.

It has a white aluminum frame and a mesh storage basket underneath. The overall design is lightweight and portable.*

## OPERATING INSTRUCTIONS

### Folding and Portability

The Karley Bassinet is designed for quick folding and easy transport. To fold the bassinet:

1. Remove the mattress pad and any items from the storage bag.

2. Collapse the canopy.
3. Locate the quick-folding mechanism (refer to specific points on the frame, usually marked).
4. Engage the mechanism to fold the bassinet into a compact size.

## Canopy Adjustment

The double canopy can be adjusted to provide shade or protection from insects. It can also be fully collapsed when not needed.

## Storage Bag Use

The large storage bag located beneath the bassinet is suitable for holding baby essentials such as diapers, wipes, or extra blankets. Do not overload the storage bag.

## MAINTENANCE AND CARE

Regular cleaning and maintenance will ensure the longevity and safety of your bassinet.

- **Fabric Cleaning:** The polyester fabric body is easy to clean. Hand wash only with mild soap and cold water. Do not use bleach. Air dry thoroughly.

- **Frame Cleaning:** Wipe the aluminum frame with a damp cloth and mild soap. Dry immediately.
- **Mattress Pad:** The mattress pad cover can be removed and hand washed. Ensure it is completely dry before reinserting.
- **Inspection:** Periodically check all screws, bolts, and fasteners to ensure they are tight and secure. Inspect the fabric for any tears or damage.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Bassinet does not fold easily.	Folding mechanism not fully disengaged or engaged.	Ensure all items are removed. Refer to the "Folding and Portability" section and ensure the mechanism is correctly operated.
Bassinet feels unstable.	Frame not fully locked into position.	Check all frame joints and ensure they are securely locked. Do not use if the bassinet feels unstable.
Mattress pad does not fit correctly.	Incorrect orientation or foreign objects in the bassinet base.	Ensure the mattress pad is placed correctly and there are no obstructions.

## SAFETY INFORMATION

Adhere to the following safety guidelines to prevent injury:

- **Suffocation Hazard:** To prevent suffocation, never use additional padding, blankets, or pillows in the bassinet. Use only the mattress pad provided by the manufacturer.
- **Fall Hazard:** Stop using the bassinet when the infant begins to push up on hands and knees, or has reached 25 lbs, or is 37 inches tall, whichever comes first.
- **Strangulation Hazard:** Keep cords, strings, and window blind cords away from the bassinet. Never place the bassinet near windows where cords could pose a strangulation risk.
- **Assembly:** Always ensure the bassinet is fully assembled and all locking mechanisms are engaged before placing a child inside.
- **Placement:** Place the bassinet on a firm, flat surface. Do not place it on elevated surfaces.

- **Supervision:** Never leave a child unattended in the bassinet.
- **Damage:** Do not use the bassinet if any parts are missing, damaged, or broken. Contact customer support for replacement parts.
