## 1. INTRODUCTION

---

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your Sluban M38-B0112 Building Block Set. This multi-colored construction toy, also known as "Crazy Race," is designed to foster creativity and develop fine motor skills in children.

**Age Recommendation:** This product is recommended for children aged 6 years and above. *Warning: Not suitable for children under 3 years due to small parts which may present a choking hazard.*

## 2. SETUP: ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Sluban M38-B0112 building block set. Ensure all 21 pieces are present before beginning assembly.

1. **Unpack Components:** Carefully open the packaging and lay out all the building blocks on a clean, flat surface.
2. **Identify Parts:** Refer to the parts image below to identify each component.
3. **Follow Diagram:** Use the assembly diagram provided on the product packaging (or included instructions, if any) to connect the pieces. Start with the base of the vehicle and gradually add components such as wheels, chassis, and the minifigure.

4. **Secure Connections:** Ensure all blocks are firmly pressed together to create a stable structure.

### 3. OPERATING (PLAYING WITH THE TOY)

Once assembled, the Sluban M38-B0112 "Crazy Race" vehicle is ready for play. This toy encourages imaginative play and helps develop various skills.

- **Imaginative Play:** Use the assembled vehicle and minifigure to create various racing scenarios and adventures.
- **Educational Benefits:** Playing with building blocks can enhance counting skills, spatial awareness, and problem-solving abilities.
- **Compatibility:** These building blocks are compatible with other common building block systems, allowing for expanded creative possibilities.

## 4. MAINTENANCE

---

Proper care and maintenance will ensure the longevity of your Sluban building block set.

- **Cleaning:** To clean the plastic blocks, wipe them with a damp cloth using mild soap and water. Rinse thoroughly and air dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the building blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discard any broken or damaged parts to prevent injury.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your Sluban M38-B0112 set, refer to the following common solutions:

- **Missing Pieces:** Double-check the packaging and the play area. If a piece is genuinely missing, contact the retailer or manufacturer for assistance.
- **Difficulty Connecting Blocks:** Ensure the blocks are aligned correctly and apply firm, even pressure. Some new blocks may require a bit more force initially.
- **Loose Connections:** If blocks are not holding together well, ensure they are fully seated. Over time, excessive force or wear can loosen connections.

## 6. SPECIFICATIONS

---
