Battat Bristle Blocks: Basic Builder Case Instruction Manual

MODEL: BA3081MTZ

1. Product Overview

The Battat Bristle Blocks Basic Builder Case is a 50-piece set of interlocking building blocks designed to introduce children aged 2 years and up to creative construction. These unique blocks feature soft bristles that connect at any angle, allowing for easy assembly and disassembly. The set includes a variety of shapes, sizes, and vibrant colors, along with 12 functional wheels to add movement to creations. All pieces are conveniently stored in a reusable carry case, making it ideal for both home play and travel. This developmental toy helps improve hand-eye coordination and stimulates creativity.

Key Features:

- **Soft, Interlocking Bristles:** Designed for easy assembly, blocks stick together at any angle.
- **50 Colorful Pieces:** Includes assorted sizes, shapes, and 12 functional wheels for dynamic creations.
- **Easy Storage:** Comes with a convenient carrying case for organized clean-up and portability.
- **Developmental Toy:** Enhances hand-eye coordination and sparks creativity in toddlers.
- **Worry-Free Materials:** Complies with regulatory phthalates and BPA requirements.

3. Assembly and Creative Play

Bristle Blocks are designed for intuitive and frustration-free building. The unique interlocking bristles allow pieces to connect easily at any angle, providing endless possibilities for creative construction.

Getting Started:

1. Open the carry case and spread out the Bristle Blocks pieces on a clean, flat surface.
2. Select two or more blocks and gently press their bristled surfaces together. The soft bristles will interlock, securing the pieces.
3. Experiment with different shapes and colors to create various structures, animals, vehicles, and more.
4. Utilize the included wheels to add mobility to your creations, building cars, robots, or other moving objects.
