American Girl 4 Film Favorites DVD Instruction Manual

Model: 373132

INTRODUCTION

This instruction manual provides guidance for the proper use and care of your *American Girl 4 Film Favorites* DVD collection. This set includes four live-action movies based on popular American Girl characters: *Kit Kittredge: An American Girl*, *Samantha: An American Girl Holiday*, *Felicity: An American Girl Adventure*, and *Molly: An American Girl on the Home Front*. Please read this manual thoroughly to ensure an optimal viewing experience and to preserve the quality of your discs.

PACKAGE CONTENTS

Your *American Girl 4 Film Favorites* DVD set contains the following items:

- Four (4) DVD discs, each featuring one American Girl film.
- DVD case for storage.

VIEWING INSTRUCTIONS

1. Disc Insertion

1. Gently remove the desired DVD disc from its case by pressing down on the center hub and lifting the disc by its edges. Avoid touching the playing surface.
2. Insert the disc into your DVD player or computer's DVD drive with the label side facing up.

2. Playback

- Most DVD players will automatically begin playback or display a main menu.
- Use your remote control or keyboard to navigate the menu options, such as "Play Movie," "Scene Selection," or "Special Features."

3. Language and Subtitles

The DVDs support multiple language and subtitle options. These can typically be selected from the main menu or during playback using your DVD player's audio/subtitle buttons.

- **Audio Languages:** English (Dolby Digital 5.1)
- **Subtitles:** English, French, Spanish

4. Bonus Content

Each film may include bonus content. For example, *Samantha: An American Girl Holiday* includes a tap dancing lesson. Access these features via the "Special Features" or "Bonus Content" section on the DVD menu.

CARE AND HANDLING

To ensure the longevity and optimal performance of your DVDs, follow these care guidelines:

- Always hold discs by their edges or by placing a finger through the center hole.
- Store discs in their original case when not in use to protect them from dust and scratches.
- Keep discs away from direct sunlight, extreme temperatures, and high humidity.
- To clean a disc, gently wipe the playing surface with a soft, lint-free cloth from the center outwards. Do not use abrasive cleaners or solvents.
- Avoid bending or flexing the discs.

TROUBLESHOOTING

If you encounter issues during playback, consider the following common solutions:

- **Disc Not Playing:** Ensure the disc is inserted correctly (label side up). Check if the disc is clean and free of scratches. Try playing the disc in another DVD player or computer to rule out player issues.
- **Skipping or Freezing:** Clean the disc carefully as described in the "Care and Handling" section. Minor scratches can sometimes be polished with a specialized disc repair kit.
- **No Audio/Video:** Verify that your DVD player is properly connected to your TV or display. Check the audio and video settings on your player and TV.
