1. INTRODUCTION

Congratulations on your purchase of the Pinolino Polar 2-Piece Nursery Set. This set includes a convertible child's bed (140 x 70 cm) and a large changing chest, both finished in elegant matte white lacquered MDF. Designed for modern nurseries, this set offers both style and functionality, providing a safe and comfortable environment for your child.

This manual provides essential information for the correct assembly, safe use, and proper maintenance of your Pinolino Polar nursery furniture. Please read all instructions carefully before assembly and retain this manual for future reference.

2. IMPORTANT SAFETY INSTRUCTIONS

To ensure the safety of your child, please adhere to the following guidelines:

- Always follow the assembly instructions precisely. Incorrect assembly can lead to hazards.
- Regularly check all screws and fittings to ensure they are tight. Tighten if necessary.
- Do not use the product if any part is broken, torn, or missing. Contact customer support for replacement parts.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- Place the crib and changing chest on a flat, stable surface.
- Do not place the crib near windows where cords from blinds or curtains could pose a strangulation risk.
- Ensure the mattress used in the crib is the correct size (140 x 70 cm) to prevent gaps where a child could become trapped.
- Never leave a child unattended on the changing chest.
- The changing pad should be securely placed on the changing chest.
- Do not allow children to climb on the changing chest drawers.
- The crib is designed for one child only.
- Be aware of the risk of open fires and other sources of strong heat, such as electric bar fires, gas fires, etc., in the near vicinity of the crib.

3. SETUP AND ASSEMBLY

Assembly of the Pinolino Polar nursery set is required. It is recommended that two adults assemble the furniture.

3.1. Package Contents

Before beginning assembly, verify that all parts are present and undamaged. Refer to the included parts list (not provided in this manual, typically found in the product packaging).

- Components for Child's Bed (140 x 70 cm)
- Components for Large Changing Chest
- Conversion sides for junior bed/sofa conversion
- Hardware pack (screws, dowels, cam locks, etc.)
- Assembly instructions (this document)

3.2. Tools Required

- Phillips head screwdriver
- Flathead screwdriver
- Allen wrench (often included in hardware pack)
- Hammer (optional, for dowels)

3.3. Child's Bed Assembly

Follow these general steps for assembling the child's bed. Refer to the detailed diagrams in your product packaging for specific part identification and sequence.

1. Unpack all components and lay them out on a soft, clean surface to prevent scratches.
2. Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. Install the slatted bed base. The bed base is adjustable to 3 height positions (13 cm, 25 cm, and 43 cm). Choose the appropriate height for your child's age and mobility. For newborns, the highest position is recommended. Lower the base as your child grows and becomes more mobile.
4. Securely fasten all screws and bolts. Do not overtighten.
5. Once assembled, gently shake the bed to ensure stability.

3.4. Large Changing Chest Assembly

Follow these general steps for assembling the changing chest. Refer to the detailed diagrams in your product packaging for specific part identification and sequence.

1. Unpack all components and lay them out on a soft, clean surface.
2. Assemble the main frame of the chest using the provided panels and hardware.
3. Install the drawer slides into the chest frame. Ensure they are level and correctly oriented.
4. Assemble the drawers. The changing chest features 3 large drawers, with the top drawer often including a practical laundry compartment.
5. Attach the high-quality aluminum handles to the drawer fronts.
6. Insert the assembled drawers into the chest. The drawers are equipped with a soft-close mechanism for smooth and silent operation.
7. Attach the removable changing table top securely to the chest.
8. Ensure all connections are tight and the chest is stable.

4. OPERATION

4.1. Child's Bed Usage

The Pinolino Polar child's bed is designed for versatility and safety.

- **Mattress Height Adjustment:** The slatted bed base can be adjusted to 3 different heights (13 cm, 25 cm, and 43 cm from the floor).
 - Use the highest position for newborns to easily access your baby.
 - Lower the mattress as your baby grows and begins to sit up or pull themselves up, to prevent them from climbing out.
 - Always ensure the mattress is at the lowest position before your child can stand.
- **Conversion to Junior Bed/Sofa:** The child's bed is convertible. Once your child outgrows the crib, you can remove the barred sides and replace them with the provided conversion sides to transform it into a junior bed or a small sofa. This extends the lifespan of the furniture. Refer to the assembly instructions for specific steps on conversion.
- **Removable Slats:** The crib features 3 removable slats, allowing older toddlers to independently enter and exit the bed safely.

Figure 4.1: A baby resting comfortably in the Pinolino Polar child's bed, demonstrating its secure design.

4.2. Changing Chest Usage

The large changing chest provides ample storage and a convenient changing surface.

- **Changing Surface:** Place a suitable changing pad (not included) on the removable changing table top. Always keep one hand on your baby while changing to prevent falls.
- **Drawer Storage:** Utilize the three large drawers for storing diapers, wipes, clothing, and other baby essentials. The soft-close mechanism ensures quiet operation, preventing sudden noises that might disturb your baby.
- **Removable Changing Top:** The changing table top is removable. Once your child no longer requires a changing station, the chest can be used as a regular dresser, extending its utility for many years.

Figure 4.2: A baby being changed on the Pinolino Polar changing chest, highlighting the practical changing surface.

Figure 4.3: A toddler exploring the drawers of the changing chest, demonstrating the accessibility and smooth operation of the soft-close drawers.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your Pinolino Polar nursery furniture.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Use mild soap if necessary, then wipe dry immediately. Avoid abrasive cleaners, harsh chemicals, or furniture polish, as these can damage the lacquered finish.
- **Regular Checks:** Periodically inspect all screws, bolts, and fittings to ensure they are tight. Re-tighten as needed to maintain structural integrity and safety.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the white finish.
- **Humidity Control:** Maintain a stable room temperature and humidity level to prevent wood from warping or cracking.

6. TROUBLESHOOTING

If you encounter any issues with your Pinolino Polar nursery set, refer to the following common solutions:

- **Wobbly Furniture:**
 - Ensure all screws and bolts are securely tightened.
 - Verify that the furniture is placed on a level surface.
- **Drawers Not Closing Smoothly:**
 - Check that the drawer slides are correctly installed and free of obstructions.
 - Ensure the drawers are not overloaded.

- Verify that the soft-close mechanism is functioning correctly; if not, inspect for damage or misalignment.

- **Missing or Damaged Parts:**

- Review the package contents list.
- Contact Pinolino customer support for replacement parts. Do not attempt to use damaged parts.

7. SPECIFICATIONS

Feature	Detail
Brand	PINOLINO
Model Number	093421B
Material	Wood construction (MDF, white lacquered)
Color	White
Child's Bed Dimensions (L x W x H)	148 cm x 76 cm x 82 cm (approximate, for 140 x 70 cm mattress)

Product Weight	8 Kilograms (Note: This weight seems low for a 2-piece set, likely refers to a single component or shipping weight for a small part. Refer to actual product packaging for total weight.)

8. WARRANTY INFORMATION

Pinolino products are manufactured to high-quality standards. For specific warranty terms and conditions, please refer to the warranty card included with your product or visit the official Pinolino website. The warranty typically covers manufacturing defects under normal use. Proof of purchase is usually required for any warranty claims.

9. CUSTOMER SUPPORT

Should you have any questions regarding the assembly, operation, or maintenance of your Pinolino Polar nursery set, or if you require replacement parts, please contact Pinolino customer support.

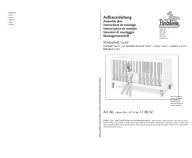

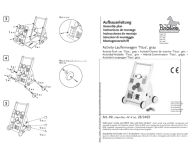

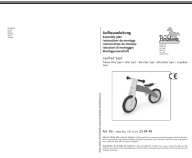

- **Website:** Visit the official Pinolino website for FAQs and contact information.

- **Email/Phone:** Refer to the contact details provided in your product packaging or on the Pinolino website.
- When contacting support, please have your model number (093421B) and proof of purchase readily available.
