MAINTENANCE

Proper care of your game UMD and PSP system will ensure longevity and optimal performance.

- **UMD Care:** Handle the UMD by its edges. Avoid touching the data surface. Store the UMD in its original case or a protective UMD case when not in use to prevent scratches and dust accumulation.
- **Cleaning:** If the UMD surface becomes dirty, gently wipe it with a soft, lint-free cloth from the center outwards. Do not use abrasive cleaners or solvents.
- **Storage:** Store the game and your PSP in a cool, dry place away from direct sunlight, extreme temperatures, and humidity.
- **PSP System:** Keep your PSP system clean and free of dust. Regularly check for system software updates to ensure compatibility and performance.

TROUBLESHOOTING

If you encounter issues while playing, refer to the following common solutions:

- **Game Not Loading:**
 - Ensure the UMD is inserted correctly and fully seated in the PSP's UMD drive.
 - Check the UMD for visible scratches or dirt. Clean if necessary.

- Restart your PSP system.
- Ensure your PSP's firmware is up to date.
- **Game Freezes or Crashes:**
 - Restart the PSP system.
 - Ensure the UMD is clean and undamaged.
 - If the issue persists, try playing another UMD to determine if the problem is with the game disc or the PSP system.
- **No Sound/Low Sound:**
 - Check the volume settings on your PSP system.
 - Ensure headphones are properly connected if in use.
 - Check in-game sound options if available.
- **Difficulty Understanding Japanese:**
 - This game is a Japanese import and is intended for play in Japanese. There are no official in-game language options for English. Players may need to consult fan translations or guides if they are not proficient in Japanese.
