AQUARIUS 6956

Aquarius Multifold Paper Towel Dispenser - Model 6956

Brand: AQUARIUS

1. Introduction

The Aquarius Multifold Paper Towel Dispenser, Model 6956, is designed for efficient and hygienic paper towel dispensing in various environments, particularly high-traffic washrooms. Its contemporary design and robust construction ensure durability and ease of use.

This dispenser promotes good hygiene and helps control costs through controlled dispensing. Its smooth, rounded edges facilitate easy cleaning, and the sloped top prevents dust and debris accumulation. The unique, patented overfill prevention system simplifies refilling and minimizes blockages and waste.

Image: The Aquarius Multifold Paper Towel Dispenser, shown in white, mounted on a wall. A hand is seen pulling a paper towel from the dispenser's bottom opening. The dispenser features a clear viewing window to monitor paper towel levels.

2. Safety Information

- Ensure the dispenser is securely mounted to a stable wall surface to prevent falling.
- Keep out of reach of small children to prevent misuse or injury.
- Do not use abrasive cleaners or solvents on the dispenser, as this may damage the finish.
- Only use paper towels designed for multifold dispensers to ensure proper operation and prevent jamming.

3. Package Contents

Verify that all items are present before beginning installation:

- 1 x Aquarius Multifold Paper Towel Dispenser (White)
- Mounting hardware (screws and wall anchors)

- Key for locking mechanism

4. Setup and Installation

4.1 Wall Mounting

1. Choose a suitable wall location, ensuring it is clear of electrical wiring or plumbing.
2. Hold the dispenser against the wall at the desired height and mark the drilling points through the mounting holes on the back of the dispenser.
3. Drill holes at the marked points using an appropriate drill bit for your wall type.
4. Insert wall anchors (if required) into the drilled holes.
5. Align the dispenser with the holes and secure it to the wall using the provided screws. Ensure it is firmly attached and level.

4.2 Loading Paper Towels

1. Unlock the dispenser using the provided key and open the front cover.
2. Place a stack of multifold paper towels into the dispenser, ensuring they are neatly aligned. The unique overfill prevention system will guide proper loading.
3. Close the front cover and lock it securely.

5. Operating Instructions

To dispense a paper towel, simply pull a single towel from the opening at the bottom of the dispenser. The design allows for controlled dispensing, reducing waste.

5.1 Compatible Paper Towels

This dispenser is compatible with a wide range of multifold paper towels. Recommended Kimberly-Clark Professional products include 8614 and 8615. It is also compatible with 8522, 8405, and 8512.

6. Maintenance

6.1 Cleaning

The dispenser's smooth, rounded design makes it easy to clean. Wipe the exterior surfaces with a damp cloth and mild detergent. Avoid abrasive cleaners or harsh chemicals that could damage the plastic finish.

6.2 Refilling

Monitor the paper towel level through the viewing window. When the supply is low, unlock the dispenser, open the cover, and replenish with a new stack of multifold paper towels as described in Section 4.2.

7. Troubleshooting

- **Paper Towels Not Dispensing:**
  - Check if the dispenser is empty and requires refilling.
  - Ensure that multifold paper towels are being used and are correctly loaded. Incorrect towel types or improper loading can cause jamming.
  - Verify that no foreign objects are obstructing the dispensing mechanism.
- **Dispenser Cover Not Closing/Locking:**

- Ensure the paper towels are not overfilled, which can prevent the cover from closing properly.
- Check for any obstructions around the hinge or locking mechanism.

8. Specifications

Model Number	6956
Brand	AQUARIUS
Manufacturer	Kimberly-Clark Professional
Dimensions (L x W x H)	15.9 cm x 28.7 cm x 7.62 cm
Weight	550 grams
Material	Plastic
Color	White
Mounting Type	Wall Mount
Country of Origin	Germany

9. Warranty and Support

For product support, technical assistance, or warranty inquiries, please contact Kimberly-Clark Professional customer service. Refer to the manufacturer's official website or product packaging for the most current contact information.

Information regarding spare parts availability is currently unavailable.
