Toysmith Get Outside Go! Mini Beamo 16" Flying Hoop Instruction Manual

Model: 6134AM

PRODUCT OVERVIEW

The Toysmith Get Outside Go! Mini Beamo 16" Flying Hoop is designed for active outdoor play, encouraging exploration and physical activity. This lightweight hoop is easy to throw and can fly for more than 100 feet, making it suitable for users aged 5 and up. Its soft foam ring and spandex sleeve ensure a comfortable and safe experience.

SETUP

The Mini Beamo 16" Flying Hoop requires minimal setup. Simply remove it from its packaging. Inspect the hoop for any signs of damage or manufacturing defects before first use. Ensure the foam ring and spandex sleeve are intact.

OPERATING INSTRUCTIONS

The Mini Beamo Flying Hoop is designed for outdoor use and is easy to throw and catch, promoting hand-eye coordination and active play.

Throwing the Hoop:

1. **Grip:** Hold the hoop firmly with one hand, ensuring your fingers are wrapped around the foam ring.
2. **Stance:** Stand with your body facing your target, with your non-throwing shoulder pointing towards the direction of the throw.

3. **Throwing Motion:** Bring the hoop back, then swing your arm forward in a smooth, controlled motion, releasing the hoop with a slight wrist flick to impart spin. Aim for a level throw to maximize distance and stability.

Catching the Hoop:

- **Positioning:** Move into the path of the incoming hoop.
- **Soft Hands:** Use both hands to gently "give" with the hoop as you catch it, absorbing its momentum. The soft foam design makes catching comfortable and safe.

Image: A young girl catching the Mini Beamo Flying Hoop, demonstrating the ease of catching due to its soft construction.

MAINTENANCE

- **Cleaning:** Wipe the hoop with a damp cloth to remove dirt or debris. Do not submerge in water or use harsh chemicals.
- **Storage:** Store the hoop in a cool, dry place away from direct sunlight when not in use to prevent material degradation.
- **Inspection:** Periodically check the foam and spandex for tears, rips, or excessive wear. Discontinue use if significant damage is present to ensure safety.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Hoop does not fly straight or far.	Incorrect throwing technique; lack of spin; strong wind conditions.	Practice throwing with a consistent, level release and a wrist flick to impart spin. Adjust throwing angle based on wind.

Problem	Possible Cause	Solution
Hoop is difficult to catch.	Throwing too hard; not positioning correctly.	Encourage softer throws. Practice moving into the hoop's path and using "soft hands" to absorb impact.
Visible wear or damage to the hoop.	Normal wear and tear; rough handling; exposure to harsh elements.	Minor wear is expected. If significant damage (tears, exposed foam) occurs, discontinue use and consider replacement for safety.

SPECIFICATIONS

- **Brand:** Toysmith
- **Model Name:** Toysmith Get Outside GO! Mini Beamo Flying Hoop (16-Inch)
- **Model Number:** 6134AM
- **Material:** Foam
- **Size:** 16-Inch diameter
- **Item Weight:** 0.16 Pounds
- **Age Range (Description):** Kid (Recommended for Ages 5+)
- **UPC:** 085761180758
