

H2O H665

H2O Wood Bird Pick Large H665

INSTRUCTION MANUAL

1. Introduction

Thank you for purchasing the H2O Wood Bird Pick Large H665 set. This manual provides essential information for the proper setup, operation, maintenance, and troubleshooting of your new decorative bird picks. Please read this manual thoroughly before use to ensure optimal performance and longevity of the product.

2. Product Overview

The H2O Wood Bird Pick Large H665 is a set of six charming wooden bird-shaped pinwheels designed to add a whimsical touch to your garden, patio, or outdoor space. Each bird pick features a colorful bird figure with spinning wings mounted on a sturdy wooden stake. They are crafted from durable wood material, suitable for outdoor display.

Image: A set of six H2O Wood Bird Picks, each featuring a distinctively colored bird (green, orange, yellow, white, pink, blue) with spinning wings, mounted on a green stake. Each stake includes a small cloud-shaped sign with the word "Welcome" printed on it. The picks are arranged in a row, showcasing their vibrant colors and design.

- **Material:** Wood
- **Size:** Approximately 12.6 inches (32 cm) in height (including stake)
- **Quantity:** Sold as a set of 6

3. Setup

1. **Unboxing:** Carefully remove all bird picks from their packaging. Inspect each item for any signs of damage during transit.
2. **Location Selection:** Choose a suitable outdoor location for your bird picks. For optimal spinning, select an area with light to moderate wind exposure. Ensure the ground is soft enough to insert the stake without excessive force.
3. **Installation:** Gently push the pointed end of each wooden stake into the ground until it is stable and upright. Avoid forcing the stake into hard or rocky soil, as this may damage the wood. If the ground is too hard, consider watering the area first to soften it.
4. **Placement:** Arrange the six bird picks as desired to enhance your garden or outdoor decor. Ensure there is enough space between them for the wings to spin freely.

4. Operating

The H2O Wood Bird Picks are designed to be decorative garden accents. Their primary function is to spin in the wind, creating a dynamic and visually appealing display. No active operation is required beyond initial setup.

- The bird's wings will rotate when exposed to sufficient airflow.
- The "Welcome" sign adds a friendly greeting to your outdoor space.

5. Maintenance

Proper maintenance will help preserve the appearance and functionality of your wooden bird picks.

- **Cleaning:** Periodically wipe down the bird figures and stakes with a soft, damp cloth to remove dust, dirt, or debris. Avoid using harsh chemicals or abrasive cleaners, as these can damage the wood or paint.
- **Weather Protection:** While designed for outdoor use, prolonged exposure to extreme weather conditions (heavy rain, snow, intense sun) may affect the wood and paint finish over time. Consider bringing the picks indoors during severe weather or off-season to extend their lifespan.
- **Storage:** When not in use, store the bird picks in a dry, cool place away from direct sunlight and moisture.
- **Inspection:** Regularly check the integrity of the wood and the spinning mechanism. If the wings become stiff, a small amount of silicone spray or a dry lubricant can be applied to the axle, avoiding contact with painted surfaces.

6. Troubleshooting

- **Wings not spinning:**
 - Ensure the pick is in an area with sufficient wind.
 - Check for any obstructions (e.g., dirt, debris) around the spinning mechanism. Clean if necessary.
 - Apply a small amount of lubricant to the axle if it feels stiff.
- **Stake is wobbly:**
 - Re-insert the stake into firmer ground.
 - If the ground is too loose, consider compacting the soil around the base of the stake.
- **Fading paint/wood discoloration:**
 - This is normal wear and tear for outdoor wooden products. To minimize, follow weather protection and storage guidelines.

7. Specifications

Attribute	Detail
Manufacturer	H2O
Part Number	H665
Item Weight	15.8 ounces

Package Dimensions	12.6 x 2.17 x 2.17 inches
Item Model Number	H665
ASIN	B00BLWOKAC
Date First Available	April 25, 2015

8. Warranty & Support

For information regarding warranty coverage or product support, please refer to the terms and conditions provided at the time of purchase or contact the seller directly through the platform where the product was acquired. Keep your purchase receipt as proof of purchase.

For general inquiries or assistance, please reach out to the manufacturer, H2O, through their official contact channels if available.
