HABA The Little Orchard Board Game Instruction Manual

Model: mssn-3238

1. Introduction

Welcome to the world of *The Little Orchard*, a cooperative board game by HABA. In this delightful game, players work together to harvest all the sweet, juicy cherries from Paolina Pero's garden before the cheeky crow manages to steal them. This game is designed to foster cooperation, memory skills, and color recognition among young players.

Players: 1-4 children

Recommended Age: 3-8 years

Skills Promoted: Memory, recognizing and naming colors, developing a collective feeling (cooperation).

This image displays the front of the HABA The Little Orchard board game box. It features a vibrant illustration of a cherry tree laden with red cherries, a mischievous black crow holding a cherry, a brown rabbit, and a squirrel. The game title 'Il mini frutteto' is prominently displayed at the top, along with 'The Little Orchard' in English. The box also highlights that the game stimulates memory, color recognition, and collective feeling.

2. Components

Carefully unpack your game. Ensure all the following components are present:

- 1 x Three-dimensional Cherry Tree
- 10 x Red Cherry Pieces
- 1 x Colored Die (with colors and a crow symbol)
- 1 x Crow Figure
- 1 x Collection Basket (or designated area for collected cherries)

- 1 x Game Board (path for the crow)

If any components are missing or damaged, please refer to the 'Warranty and Support' section.

3. Setup

1. **Prepare the Cherry Tree:** Carefully set up the three-dimensional cherry tree. If it requires minor assembly (e.g., slotting pieces together), follow the visual instructions on the box or included leaflet.
2. **Place the Cherries:** Distribute all 10 red cherry pieces onto the branches of the cherry tree.
3. **Position the Crow:** Place the crow figure at the starting point of the path on the game board.
4. **Prepare the Basket:** Place the collection basket (or designate an area) near the game board where collected cherries will be stored.
5. **Players Ready:** All players sit around the game board, ready to begin.

4. How to Play (Operating)

The game is played in turns, with players working together to achieve a common goal.

1. **Player's Turn:** The youngest player starts the game. Play proceeds clockwise.
2. **Roll the Die:** On your turn, roll the colored die.
3. **Interpret the Result:**
    - **Colored Side:** If the die shows a color (e.g., red, yellow, blue, green), you must pick one cherry of that corresponding color from the tree and place it into the collection basket. If there are no cherries of that color left on the tree, you do nothing.
    - **Crow Side:** If the die shows the crow symbol, you must move the crow figure one step forward along its path towards the cherry tree.
4. **End of Turn:** After performing the action, the turn passes to the next player.

5. Game End

The game ends in one of two ways:

- **Players Win:** If all 10 cherry pieces are successfully collected and placed into the basket **before** the crow reaches the cherry tree, all players win together!
- **Players Lose:** If the crow reaches the cherry tree **before** all 10 cherry pieces have been collected, the crow has eaten the cherries, and all players lose together.

Remember, *The Little Orchard* is a cooperative game, so success or failure is shared by all players.

6. Maintenance

To ensure the longevity of your HABA The Little Orchard game:

- **Storage:** Always store all game components in their original box in a dry place, away from direct sunlight and extreme temperatures.
- **Cleaning:** If components become dirty, gently wipe them with a dry or slightly damp cloth. Do not use harsh chemicals or abrasive cleaners. Ensure all parts are completely dry before storing.
- **Handling:** Handle the cardboard components, especially the three-dimensional tree, with care to prevent bending or

tearing.

7. Troubleshooting

If you encounter any issues while playing *The Little Orchard*, consider the following:

- **Missing Components:** Double-check the box and packaging. If a component is genuinely missing upon unboxing, please contact HABA customer support.
- **Rules Confusion:** Reread the relevant sections of this manual. Sometimes, playing a practice round without keeping score can help clarify rules.
- **Damaged Parts:** If parts are damaged during play, assess if they can be repaired with standard household adhesive. For significant damage or manufacturing defects, contact HABA customer support.
