## Radio Flyer 34BX

# Radio Flyer Classic 10 Inch Toddler Tricycle

Model: 34BX | Brand: Radio Flyer

## 1. PRODUCT OVERVIEW

---

The Radio Flyer Classic Tricycle is a durable and timeless children's ride-on toy. It features a robust steel frame, spoked wheels, and real rubber tires designed for a smooth and lasting ride. The 10-inch front wheel enhances stability, making it suitable for new riders. An adjustable seat allows the tricycle to grow with your child, providing years of enjoyment. Its controlled turning radius helps prevent tipping, promoting better balance, and a rear step facilitates easy on-and-off access for independent play. This tricycle is ideal for outdoor use on sidewalks and driveways, creating memorable play experiences for toddlers aged 2-4 years.

### 3. SAFETY INFORMATION

Always prioritize safety when using the Radio Flyer Classic Tricycle. Please read and adhere to all included safety instructions before assembly and use. Ensure the child wears appropriate safety gear, including a helmet, at all times. Adult supervision is required. Do not use near motor vehicles, streets, swimming pools, or steep inclines. The tricycle is designed for children aged 2-4 years with a maximum weight capacity of 42.5 lbs.

### 4. ASSEMBLY

The Radio Flyer Classic Tricycle requires adult assembly. Detailed instructions are provided in the packaging. Please ensure all parts are present and securely fastened before allowing a child to use the tricycle. Tools required for assembly are typically basic household tools (e.g., wrench, screwdriver). Follow the step-by-step guide carefully to ensure correct and safe assembly.

### 5. OPERATING INSTRUCTIONS

To operate the tricycle, the child should sit comfortably on the adjustable seat with their feet able to reach the pedals. Encourage the child to push the pedals in a circular motion to move forward. Steering is achieved by turning the handlebars. The controlled turning radius is designed to enhance stability and prevent tipping. For younger riders, a rear step is available for easy mounting and dismounting. Always ensure the child is riding on a flat, safe surface away from hazards.

## 6. MAINTENANCE

---

Regular maintenance will extend the life of your Radio Flyer Classic Tricycle. Periodically check all nuts, bolts, and screws to ensure they are tight. Inspect the rubber tires for wear and tear and ensure they are free

of debris. Clean the tricycle with a damp cloth and mild soap as needed. Avoid using harsh chemicals that may damage the paint or chrome finish. Store the tricycle in a dry, covered area to prevent rust and weather damage.

## 7. TROUBLESHOOTING

If the tricycle is difficult to pedal or steer, check for any obstructions in the wheels or steering mechanism. Ensure all connections are secure. If the seat is not stable, re-tighten the adjustment mechanism. For any persistent issues or concerns not covered in this manual, please contact Radio Flyer customer support.

## 8. SPECIFICATIONS
