

Honey-Can-Do KCH-01081

Honey-Can-Do KCH-01081 Bamboo Bread Box User Manual

Model: KCH-01081 | Brand: Honey-Can-Do

PRODUCT OVERVIEW

The Honey-Can-Do KCH-01081 Bamboo Bread Box is designed to keep your bread and pastries fresh and easily accessible. Crafted from durable and eco-friendly bamboo, this bread box features a convenient roll-top door and an integrated pull-out drawer that doubles as a cutting board, complete with storage for a cutting knife. Its natural aesthetic complements various kitchen decors while providing practical food storage.

SETUP

The Honey-Can-Do KCH-01081 Bamboo Bread Box arrives fully assembled and ready for immediate use. No tools or complex assembly steps are required.

1. **Unboxing:** Carefully remove the bread box from its packaging.
2. **Placement:** Choose a suitable, dry location on your kitchen countertop or pantry shelf. Ensure the area allows for easy operation of the roll-top door and pull-out drawer.
3. **Initial Cleaning:** Before first use, wipe the interior and exterior surfaces with a damp cloth and mild soap, then dry thoroughly.

OPERATING INSTRUCTIONS

Using your bamboo bread box is straightforward, designed for convenience and optimal bread freshness.

- **Roll-Top Door:** To access the main storage compartment, gently lift the small knob on the roll-top door and slide it upwards and backwards. The door will smoothly retract into the back of the unit. To close, pull the door forward and down until it rests securely.
- **Bread Storage:** Place bread, pastries, or other baked goods directly inside the main compartment. The enclosed design helps maintain freshness by regulating air circulation.
- **Cutting Board Drawer:** The lower drawer can be pulled out completely to serve as a convenient cutting surface. It also features a dedicated slot for storing a bread knife (knife not included). After use, ensure the drawer is clean and dry before sliding it back into the bread box.

MAINTENANCE

Proper care will ensure the longevity and appearance of your bamboo bread box.

- **Cleaning:** Wipe the bread box regularly with a damp cloth and mild soap. Avoid abrasive cleaners or scouring pads, which can damage the bamboo finish.
- **Drying:** Always dry the bread box thoroughly after cleaning to prevent moisture damage. Bamboo is moisture-resistant but not waterproof.
- **Dishwasher Safety:** This product is **not dishwasher safe**. Hand wash only.
- **Oiling (Optional):** To maintain the natural luster of the bamboo, you may periodically apply a food-grade mineral oil. Apply a small amount with a soft cloth, let it soak in, then wipe off any excess.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Roll-Top Door Sticks:**
 - Ensure no crumbs or debris are obstructing the tracks. Clean the tracks with a small brush or damp cloth.
 - Check if the bread box is placed on a completely flat surface. Uneven surfaces can cause misalignment.
- **Bread Goes Stale Quickly:**
 - While the bread box helps maintain freshness, it is not airtight. For optimal freshness, store bread in its original packaging or a sealed bag inside the bread box.

- Avoid placing the bread box in direct sunlight or near heat sources, which can accelerate staling.
- **Drawer is Difficult to Pull Out:**
 - Ensure the drawer is empty and free of obstructions.
 - Wipe the drawer runners clean. A small amount of food-grade wax can be applied to the runners to improve smoothness.

SPECIFICATIONS

Feature	Detail
Model Number	KCH-01081
Brand	Honey-Can-Do
Material	Bamboo
Product Dimensions	16"L x 11"W x 9.5"H
Item Weight	6.72 pounds
