1. PRODUCT OVERVIEW

The WMF Nuova Salad Servers are a set of two serving pieces designed for various occasions. This set includes one salad fork and one serving spoon, crafted from high-quality Cromargan 18/10 stainless steel. The design is both appealing and timeless, making it a versatile addition to any dining setting.

2. KEY FEATURES

- **Material:** Made from Cromargan 18/10 stainless steel, a registered trademark of WMF. This alloy consists of 18% chromium and 10% nickel, providing rust-free, acid-resistant, and durable properties.
- **Design:** Features an appealing and timeless design, suitable for various dining occasions.
- **Durability:** Stable, indestructible, and resistant to food acids.
- **Ease of Cleaning:** Dishwasher safe for convenient cleaning.
- **Set Contents:** Includes one salad fork and one serving spoon.
- **Length:** Each server measures 25 cm.

3. SETUP

The WMF Nuova Salad Servers require no assembly. Upon unpacking, it is recommended to wash the servers thoroughly before first use to remove any manufacturing residues.

1. Remove the salad servers from their packaging.
2. Wash the servers with warm soapy water or place them in a dishwasher (refer to the "Cleaning and Maintenance" section for detailed instructions).
3. Dry thoroughly before storing or using.

4. OPERATING INSTRUCTIONS

The WMF Nuova Salad Servers are designed for serving salads and other similar dishes. The set includes a salad fork and a serving spoon, which work together to efficiently scoop and serve food.

- Hold one server in each hand, positioning them around the portion of salad you wish to serve.
- Use the fork to gently lift and secure the salad, while the spoon provides support from underneath.
- Transfer the salad to individual plates.

5. CLEANING AND MAINTENANCE

Proper cleaning and maintenance will ensure the longevity and appearance of your WMF Nuova Salad Servers.

Manual Cleaning:

- Remove coarse food residues immediately after use.
- Wash with warm water and a mild dish soap.
- Use a soft sponge or cloth to avoid scratching the polished surface.
- Rinse thoroughly and dry immediately with a soft cloth to prevent water spots.

Dishwasher Cleaning:

- The salad servers are dishwasher safe.
- Place the cutlery into the dishwasher basket with the handles facing down.
- Avoid prolonged contact with highly acidic foods or strong detergents in the dishwasher.
- If using dishwasher salt, WMF recommends performing an empty run after filling the salt to prevent direct contact with the cutlery.
- Always follow the instructions on your detergent packaging and your dishwasher's instruction manual.

Important: Never leave the servers unwashed for a long period, especially after contact with acidic foods, as this can lead to corrosion.

6. SPECIFICATIONS

Brand	WMF
Material	Cromargan 18/10 Stainless Steel
Color	Silver
Set Contents	1 Salad Fork, 1 Serving Spoon
Length	25 cm (each server)
Item Weight	0.19 Kilograms
Dishwasher Safe	Yes

7. TROUBLESHOOTING

The WMF Nuova Salad Servers are simple in design and operation, minimizing common issues.

- **Problem:** Water spots or streaks after washing.
Solution: Ensure servers are dried immediately after washing, especially after dishwasher cycles. Use a soft, lint-free cloth. Hard water can contribute to spotting; consider using a rinse aid in the dishwasher.
- **Problem:** Dull appearance or discoloration.
Solution: This can occur from prolonged contact with acidic foods or harsh detergents. Clean promptly after use. For minor dullness, a stainless steel polish designed for kitchenware can restore shine.
- **Problem:** Rust-like spots.
Solution: While Cromargan is rust-free, "flash rust" can occur if other non-stainless steel items are washed alongside it in the dishwasher. Remove any rust spots with a stainless steel cleaner and ensure only stainless steel items are washed together.

8. WARRANTY AND SUPPORT

WMF products are known for their quality and durability. For specific warranty information, please refer to the documentation included with your purchase or visit the official WMF website.

For customer support, product inquiries, or to report any issues, please contact WMF customer service through their official channels.
