## Keter Gulliver

# Keter Gulliver Low Cabinet Instruction Manual

Model: Gulliver (9752000)

## 1. INTRODUCTION

---

This manual provides essential information for the safe and effective assembly, operation, and maintenance of your Keter Gulliver Low Cabinet. Please read these instructions carefully before use and retain them for future reference.

The Keter Gulliver Low Cabinet is a versatile storage solution designed for organizing household, utility, and garage items. Constructed from durable, watertight resin, it features a modern design with lockable double doors and two adjustable shelves.

## 2. SAFETY INFORMATION

---

- **Wall Mounting:** It is strongly recommended to fix the cabinet to a wall to ensure stability and safety, especially when storing heavy objects. This prevents accidental tipping.
- **Load Capacity:** Each shelf has a maximum load capacity of 30 kg (66 lbs). Do not exceed this weight limit per shelf. The total weight limit for the entire cabinet is 60 kg (132 lbs).
- **Assembly:** Ensure all components are correctly assembled according to the provided instructions before use. Improper assembly can lead to instability.
- **Placement:** This cabinet is suitable for both indoor and outdoor use. When placed outdoors, ensure it is on a level surface.
- **Children:** Keep children away from the cabinet during assembly. Do not allow children to climb on or play inside the cabinet.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all parts are present and undamaged. The package should contain the following:

- Cabinet panels (sides, top, bottom, back, doors)
- 2 x Adjustable Shelves
- Assembly hardware (screws, hinges, handles, feet, etc.)
- Instruction Manual

## 4. SETUP AND ASSEMBLY

Assembly of the Keter Gulliver Low Cabinet is required. Please follow the detailed step-by-step instructions provided in the separate assembly guide included in your package. Ensure you have adequate space and the necessary tools (typically a screwdriver) before starting.

### Key Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Connect the side panels to the bottom and top panels as per the instructions.
3. **Install Back Panel:** Secure the polypropylene back panel into the frame.
4. **Attach Doors:** Mount the doors using the provided metal hinges. Ensure they open and close smoothly.
5. **Insert Shelves:** Place the adjustable shelves at your desired height.
6. **Install Feet:** Attach the cabinet feet to the base for stability.
7. **Wall Fixing (Recommended):** For enhanced safety, secure the cabinet to a wall using appropriate hardware (not always included, check assembly guide).

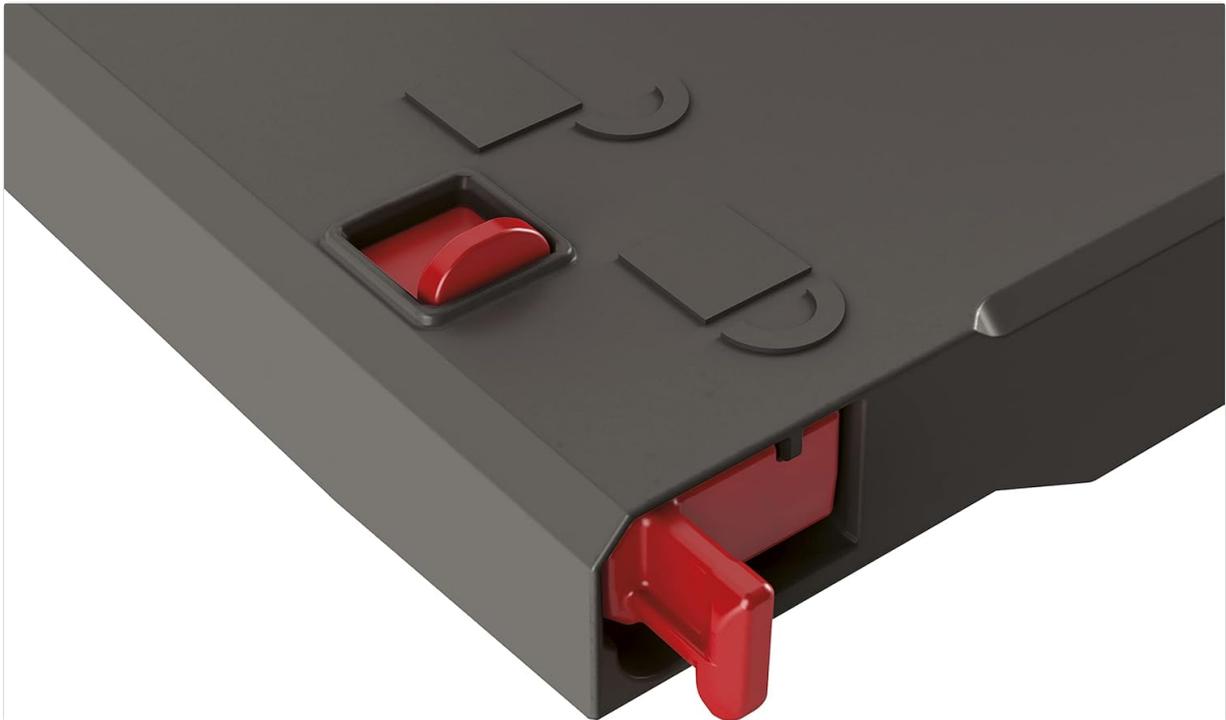

Image 4.2: Cabinet Base. A detailed view of the cabinet's underside, showing the sturdy feet and structural design for stability.

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Opening and Closing Doors

The cabinet features double doors with handles for easy access. To open, pull the handles outwards. To close, push the doors firmly until they latch securely.

### 5.2 Using the Shelves

The two included shelves are adjustable. To change their height, carefully remove the shelf, reposition the support clips (if applicable, refer to assembly guide), and reinsert the shelf at the desired level. Ensure shelves are securely seated before placing items on them.

### 5.3 Locking Mechanism

The cabinet is designed with a padlock-compatible locking mechanism for added security. To lock the cabinet, align the holes on the doors and insert a standard padlock (not included).

Image 5.1: Locking Mechanism. This image provides a close-up view of the cabinet's handle and the integrated feature for attaching a padlock, enhancing security.

## 6. MAINTENANCE

---

The Keter Gulliver Low Cabinet is made from durable, watertight polypropylene resin, requiring minimal maintenance.

- **Cleaning:** Clean the cabinet surfaces with a soft cloth, mild soap, and water. Avoid abrasive cleaners or harsh chemicals, as these can damage the material.
- **Inspection:** Periodically check all connections and hinges to ensure they remain secure. Tighten any loose screws if necessary.
- **Outdoor Use:** While suitable for outdoor use, prolonged exposure to extreme weather conditions may affect its appearance over time.

## 7. TROUBLESHOOTING

---

- **Doors Not Closing Properly:** Check for any obstructions in the door path or hinges. Ensure the cabinet is on a level surface. Verify that the hinges are correctly installed and tightened.
- **Cabinet Instability:** Ensure all assembly screws are tightened. If not already done, fix the cabinet to a wall using appropriate hardware to prevent tipping.
- **Damaged Parts:** If any parts are damaged or missing upon arrival, do not proceed with assembly. Contact customer support for assistance.

## 8. SPECIFICATIONS

---

Feature	Detail
---------	--------

Brand	Keter
Model Name	Gulliver
Item Model Number	9752000
Product Dimensions (D x W x H)	10.04" x 19.69" x 32.05" (25.5 cm x 50 cm x 81.4 cm)
Item Weight	9.45 kg (20.8 lbs)
Material	Polypropylene (PP) Plastic
Color	Beige
