ORICO M3H7-SV

ORICO Aluminum 7-Port Super Speed USB 3.0 Hub (Model: M3H7-SV) Instruction Manual

Your guide to seamless connectivity and high-speed data transfer.

INTRODUCTION

Thank you for choosing the ORICO Aluminum 7-Port Super Speed USB 3.0 Hub. This manual provides essential information for setting up, operating, and maintaining your device to ensure optimal performance. This hub is designed to expand your computer's USB 3.0 connectivity, offering high-speed data transfer and convenient access to multiple USB devices.

SETUP GUIDE

Follow these steps to set up your ORICO USB 3.0 Hub:

1. **Connect the Power Adapter:** Plug the provided 24W power adapter into the DC Input interface on the hub and then into a wall outlet. This ensures stable power delivery to all connected devices.

2. **Connect to Your Computer:** Use the included 3.3-foot USB 3.0 cable to connect the hub to an available USB 3.0 port on your computer (iMac, MacBook, PC, or laptop).

3. **Plug and Play:** The ORICO hub is plug-and-play, meaning no drivers are required for most operating systems. Your computer should automatically recognize the hub.

4. **Connect Your Devices:** You can now connect up to seven USB 3.0 devices to the hub's available ports.

OPERATING INSTRUCTIONS

The ORICO USB 3.0 Hub is designed for ease of use and high performance:

- **High-Speed Data Transfer:** Connect your USB 3.0 compatible devices (e.g., external hard drives, flash drives) to any of the seven blue-inserted USB ports for data transfer speeds up to 5Gbps.

- **Easy Device Access:** The hub features a 32-degree inclination design, making it easy to plug and unplug devices, especially when placed on a desktop.

- **Wide Compatibility:** This hub is compatible with a wide range of devices including PCs, cellphones, tablets, notebooks, cameras, USB disks, webcams, keyboards, HDDs, and printers.

- **LED Indicator:** A blue LED indicator light confirms the hub is powered on and operational.

MAINTENANCE

To ensure the longevity and optimal performance of your ORICO USB 3.0 Hub, please follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the hub's exterior. Avoid using liquid cleaners or abrasive materials, as they may damage the finish or internal components.

- **Storage:** When not in use, store the hub in a cool, dry place away from direct sunlight and extreme temperatures.

- **Cable Care:** Avoid bending or twisting the USB cable excessively, as this can damage the internal

wires.

- **Avoid Liquids:** Keep the hub away from water and other liquids to prevent electrical damage.

TROUBLESHOOTING

If you encounter any issues with your ORICO USB 3.0 Hub, please refer to the following common solutions:

- **Device Not Recognized:**

  - Ensure the hub's power adapter is securely plugged into a wall outlet and the hub.
  - Verify the USB 3.0 cable connecting the hub to your computer is firmly seated at both ends.
  - Try connecting the device directly to your computer's USB port to confirm the device itself is functional.
  - Restart your computer.

- **Slow Data Transfer:**

  - Ensure both the hub and your connected device support USB 3.0 for optimal speeds.
  - Check that the hub is connected to a USB 3.0 port on your computer (often identified by a blue insert).
  - Avoid connecting too many high-bandwidth devices simultaneously.

- **Charging Issues:**

  - This hub is primarily designed for data transfer. While it provides power, it may not offer fast charging capabilities for all devices.
  - For quicker charging, connect devices directly to a dedicated wall charger or a USB port on your computer designed for charging.

- **Interference with Wireless Devices:**

  - If you experience interference with wireless keyboards or mice, try repositioning the hub or the wireless receiver.
  - Ensure the hub is not placed too close to other wireless transmitters.

SPECIFICATIONS

Product Dimensions	5.51 x 2.6 x 1.26 inches
Item Weight	7.8 ounces
Item Model Number	ORICO M3H7-SV
Brand	ORICO
Hardware Interface	USB, USB 2.0, USB 3.0
Special Feature	Plug and Play
Compatible Devices	Laptops (and other USB-compatible devices)
Manufacturer	ORICO Technologies Co.,Ltd

Date First Available	April 6, 2013

WARRANTY AND SUPPORT

ORICO products are manufactured to the highest quality standards. For warranty information and technical support, please refer to the documentation included in your product packaging or visit the official ORICO website. Keep your purchase receipt for warranty claims.
