LEGO 31010

LEGO Creator 31010 Treehouse Instruction Manual

Model: 31010 | Brand: LEGO

INTRODUCTION

This manual provides detailed instructions for assembling and interacting with your LEGO Creator 31010 Treehouse set. The set offers a versatile 3-in-1 building experience, allowing you to construct a detailed Treehouse, a charming Lakeside Hut, or a functional Farmyard Barn. Please follow the instructions carefully to ensure correct assembly and full enjoyment of your model.

PRODUCT FEATURES

- Features 2 tree trunks for a sturdy base.
- Detachable Treehouse with a removable roof for easy access.
- Secret trapdoor with a locking mechanism and a red bucket trap.
- Fold-down ladder for access to the treehouse.
- Integrated storage area within the treehouse structure.
- 3-in-1 model design: rebuilds into a Lakeside Hut or a Farmyard Barn.
- Hollow tree compartment for storing a secret treasure map.
- Includes a telescope for exploring the night sky.
- Lakeside Hut features a small jetty, a removable roof, and a pizza oven.
- Farmyard Barn features an upper level with ladder access, a large wheelbarrow, and a garden.
- Includes one child minifigure.

SETUP AND BUILDING INSTRUCTIONS

The LEGO Creator 31010 Treehouse set comes with comprehensive building instructions for three distinct models: the Treehouse, the Lakeside Hut, and the Farmyard Barn. Please refer to the included printed instruction booklets for step-by-step guidance on assembling your chosen model.

Each model utilizes the same set of 356 pieces, allowing for creative rebuilding. Begin by sorting your LEGO bricks by color and size to facilitate the building process. Follow the diagrams and piece counts provided in the instruction booklets for each step.

OPERATING INSTRUCTIONS

Once your LEGO Creator 31010 model is built, you can interact with its various features:

- **Treehouse Ladder:** The ladder can be folded down for access to the treehouse platform or folded up for security.
- **Winch and Bucket:** Use the winch mechanism to raise and lower the gray bucket, simulating lifting supplies to the treehouse. The red bucket can be used to simulate water for defense.
- **Secret Trapdoor:** The treehouse features a secret trapdoor with a lock. Operate the lock to open or close the trapdoor.

- **Hollow Tree Compartment:** A hidden compartment within the tree trunk can be opened to reveal and store the included treasure map.
- **Telescope:** Position the minifigure at the telescope on the treehouse balcony to simulate stargazing.
- **Lakeside Hut Features:** If built as the Lakeside Hut, the roof can be removed for interior access, and the minifigure can interact with the jetty and pizza oven.
- **Farmyard Barn Features:** If built as the Farmyard Barn, use the ladder to access the upper level and interact with the wheelbarrow and garden elements.

MAINTENANCE

To ensure the longevity and cleanliness of your LEGO Creator 31010 set, follow these maintenance guidelines:

- **Cleaning:** Dust your LEGO model regularly with a soft brush or cloth. For deeper cleaning, wash bricks by hand in lukewarm water (up to 40°C / 104°F) with a mild detergent. Rinse thoroughly and air dry. Do not use hot water, harsh chemicals, or abrasive materials, as these can damage the plastic.
- **Storage:** Store your LEGO bricks and assembled models away from direct sunlight and extreme temperatures to prevent discoloration and warping. Keep small pieces in a designated container to avoid loss.
- **Handling:** Handle your model with care to prevent pieces from detaching. Avoid excessive force when assembling or disassembling.

TROUBLESHOOTING

If you encounter any issues during the building process or with your completed model, consider the following:

- **Missing Pieces:** Double-check all packaging and sorting areas. If a piece is genuinely missing, please contact LEGO Customer Service for assistance.
- **Assembly Errors:** Carefully review the instruction manual for the specific step where you encountered difficulty. Disassemble and reassemble the affected section as needed.
- **Loose Connections:** Ensure all bricks are firmly pressed together. Sometimes, a slight adjustment can improve stability.
- **Difficulty Rebuilding:** When converting between the 3-in-1 models, it is often easiest to fully disassemble the current model before starting the new one, rather than attempting to modify it directly.

SPECIFICATIONS

Attribute	Detail
Product Name	LEGO Creator 31010 Treehouse
Model Number	31010 (Item model number: 6024464)
Brand	LEGO
Number of Pieces	356
Product Dimensions	11.1 x 10.31 x 2.52 inches (packaging)
Item Weight	1.59 pounds
Recommended Age	7 years and up
Release Date	June 1, 2013
Manufacturer	Lego

SAFETY INFORMATION

WARNING: This product contains small parts and may pose a choking hazard. Not suitable for children under 4 years of age. Adult supervision is recommended during assembly and play for younger children within the recommended age range.

Please ensure all pieces are securely connected to prevent accidental detachment during play. Keep the product away from pets and infants to avoid ingestion of small parts.

WARRANTY AND SUPPORT

LEGO products are manufactured to high-quality standards. For information regarding product warranty, missing parts, or further support, please visit the official LEGO website or contact LEGO Customer Service directly. Keep your proof of purchase for any warranty claims.
