Nirvana Futons Miami Futon Frame and Mattress Set

Full Size, 8" Twill Black Cover - User Manual
Model: NF-ARDN-FL-SET-101 | Brand: Nirvana Futons

INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your Nirvana Futons Miami Futon Frame and Mattress Set. This armless futon set is designed for smaller spaces, offering a comfortable seating and sleeping solution. It features a solid hardwood frame and an 8-inch thick futon mattress with a twill black cover.

SETUP AND ASSEMBLY

The Miami Futon Frame and Mattress Set requires assembly. It will arrive in multiple boxes, which may be delivered

at separate times. Please ensure all packages have arrived before beginning assembly.

Before You Begin:

- Unpack all components and verify against the parts list (not provided in this document, refer to included packaging).
- Clear a spacious area for assembly.
- Assembly is typically easier with two people.

Assembly Notes:

- The frame is constructed from 100% solid hardwood with finished seat and back decks.
- Follow the step-by-step instructions provided in the packaging for detailed assembly.
- Ensure all bolts and fasteners are securely tightened after assembly.

OPERATING THE FUTON

The Miami Futon Frame is designed for three positions: sofa, lounger, and bed. This allows for versatile use in various living spaces.

Converting Positions:

1. **Sofa Position:** The futon is upright, functioning as a standard sofa with a seat height of 21 inches.
2. **Lounger Position:** To convert to a lounger, gently lift the seat frame and adjust the backrest to a reclined angle. Ensure the locking mechanisms engage securely.
3. **Bed Position:** To convert to a bed, fully extend the frame until it lies flat. The full-size futon mattress will provide a sleeping surface. Ensure the frame is fully locked in the flat position before use as a bed.

Always ensure the frame is properly locked into position before sitting or lying on the futon to prevent injury.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your futon set.

Frame Care:

- Wipe the hardwood frame with a damp cloth to clean. Avoid harsh chemicals or abrasive cleaners.
- Periodically check all bolts and fasteners and tighten if necessary to maintain structural integrity.
- Avoid exposing the frame to excessive moisture or direct sunlight for prolonged periods.

Mattress Care:

- The 8-inch futon mattress features multi-layer polycotton batting and a high-density foam core, with a tufted premium twill cover designed to minimize lumping and shifting.
- Spot clean the twill cover with a mild detergent and damp cloth. Do not machine wash or tumble dry the mattress cover.
- Rotate and flip the mattress regularly to ensure even wear and maintain its shape and comfort.
- The mattress foam is CertiPUR-US certified, indicating it is made without ozone depleters, PBDEs, TDCPP, TCEP flame retardants, mercury, lead, heavy metals, formaldehyde, or phthalates.

TROUBLESHOOTING

If you encounter issues with your futon set, consider the following:

- **Difficulty Converting Positions:** Ensure no obstructions are present. Check that all frame components are correctly aligned and that the locking mechanisms are free of debris. Applying a small amount of silicone lubricant to moving parts may help.
- **Squeaking Noises:** Tighten all assembly bolts. Loose connections can cause squeaking. If the noise persists, identify the source and ensure components are not rubbing incorrectly.
- **Mattress Indentations:** Regular rotation and flipping of the mattress can help prevent permanent indentations. Ensure the mattress is fully supported by the frame in all positions.
- **Unstable Frame:** Re-check all assembly points and ensure every bolt is securely fastened. Verify that the futon is placed on a flat, level surface.
