LAST	Switches to the previously viewed channel.
MUTE	Mutes or unmutes the TV audio.
CH ^/v	Changes channels up or down.
Number Buttons (0-9)	Direct channel selection or numerical input.
INPUT	Selects the input source (e.g., HDMI, AV).

3. SETUP

3.1 Battery Installation

To power your APEX LD100RM remote control, you will need two AAA batteries (not included).

1. Locate the battery compartment cover on the back of the remote control.

2. Press down on the tab and slide the cover off.

3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.

4. Slide the battery compartment cover back into place until it clicks securely.

Note: Replace batteries when the remote's response becomes inconsistent or stops working. Do not mix old and new batteries, or different types of batteries.

4. OPERATING INSTRUCTIONS

4.1 Basic Functions

- **Power On/Off:** Press the **Power** button once to turn the TV on or off.

- **Volume Control:** Use the **VOL +** button to increase volume and **VOL -** to decrease volume.

- **Channel Selection:** Use the **CH ^** button to go to the next channel and **CH v** to go to the previous channel. For direct channel input, use the **Number Buttons (0-9)**.

- **Mute Audio:** Press the **MUTE** button to temporarily silence the TV audio. Press again to restore sound.

- **Input Source:** Press the **INPUT** button to cycle through available input sources (e.g., HDMI1, HDMI2, AV).

4.2 Advanced Functions

- **Accessing Menus:** Press the **MENU** button to open the main TV menu. Use the **Navigation Arrows** (Up, Down, Left, Right) to move between options and **ENTER** to select.

- **Exiting Menus:** Press the **EXIT** button to close the current menu or return to live TV. The **RETURN** button can also take you back to the previous menu screen.

- **Program Guide:** Press **GUIDE** to view the electronic program guide, if supported by your TV and broadcast.

- **Picture Settings:** Use the **PICTURE** button to quickly access common picture adjustments.

- **Sleep Timer:** Press **SLEEP** repeatedly to cycle through available sleep timer intervals.

5. MAINTENANCE

- **Cleaning:** Wipe the remote control with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.

- **Battery Care:** Remove batteries if the remote will not be used for an extended period to prevent leakage. Dispose of used batteries responsibly according to local regulations.

- **Storage:** Store the remote in a cool, dry place away from direct sunlight and extreme temperatures.

6. TROUBLESHOOTING

Problem	Solution

Problem	Solution
Remote not responding.	- Check if batteries are inserted correctly with correct polarity. - Replace old batteries with new ones. - Ensure there are no obstructions between the remote and the TV's IR sensor. - Confirm the remote is pointed directly at the TV.
Some buttons not working.	- Clean the remote control surface, especially around the unresponsive buttons. - Ensure the TV is powered on and not in a specific mode that disables certain functions.
TV not responding to remote, but remote light flashes.	- The remote may be transmitting, but the TV's IR sensor might be blocked or faulty. - Try restarting the TV by unplugging it from the power outlet for a few minutes, then plugging it back in. - Verify that the remote is indeed compatible with your specific APEX TV model.

7. SPECIFICATIONS

- **Brand:** APEX
- **Model:** LD100RM
- **Compatible Devices:** APEX LCD & LED Televisions
- **Power Source:** 2 x AAA Batteries (not included)
- **Color:** Black
- **Special Feature:** Ergonomic design
- **Item Weight:** Approximately 1 pound (0.45 kg)
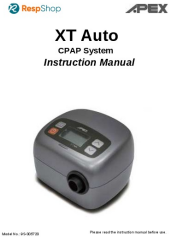

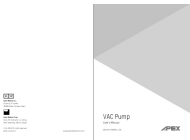

8. WARRANTY INFORMATION

This APEX LD100RM Remote Control typically comes with a 30-day warranty from the date of purchase. Please retain your proof of purchase for any warranty claims. The warranty covers manufacturing defects but generally excludes damage caused by misuse, accidents, or unauthorized modifications.
For specific warranty details and procedures, please refer to the documentation provided at the time of purchase or contact your retailer.

9. SUPPORT

If you encounter issues not covered in this manual or require further assistance, please contact the retailer where you purchased the remote control or refer to the official APEX support channels, if available, for your region.
When contacting support, please have your remote control model number (LD100RM) and your television model number ready.
