5.2 Using the Coin Tray

The coin tray is designed to organize Euro coins. Each slot is marked with the coin denomination and numerical indicators to assist in counting the total amount.

1. Place coins into their respective slots (e.g., 1 cent, 2 cents, 5 cents, etc.).
2. The numerical marks indicate the quantity of coins and the total value for each denomination.

5.3 Using the Banknote Compartments

Beneath the coin tray, there are three compartments for storing banknotes. The coin tray tilts to provide clear access to these compartments.

1. Lift the coin tray slightly if needed to access the banknote compartments.
2. Organize banknotes into the three available sections.

6. MAINTENANCE

6.1 Cleaning

To clean the cash box, use a soft, damp cloth. Avoid abrasive cleaners or solvents, as these may damage the finish.

6.2 Key Care

Keep the keys clean and dry. Do not force the key if it feels stiff; a small amount of graphite lubricant can be applied to the lock mechanism if necessary.

7. TROUBLESHOOTING

7.1 Key Not Turning

- Ensure the key is fully inserted into the lock.
- Check for any obstructions in the keyhole.
- Try the spare key.
- Apply a small amount of graphite lubricant to the keyhole.

7.2 Lid Not Closing Properly

- Ensure the coin tray is correctly positioned and not obstructed.
- Check that no items inside the box are preventing the lid from closing.
