5. CARE AND STORAGE (MAINTENANCE)

To maintain the quality and longevity of your Revlon Super Lustrous Lipstick:

- Always replace the cap securely after each use to prevent drying and contamination.
- Store in a cool, dry place away from direct sunlight or extreme temperatures, which can alter the product's texture and consistency.
- Avoid dropping the lipstick, as the bullet can break or become damaged.

6. TROUBLESHOOTING

While Revlon Super Lustrous Lipstick is designed for smooth application, here are some common issues and solutions:
