Material	Solid Loblolly Pine Wood

4. SETUP AND ASSEMBLY

The Inter Link Claas Multifunction Double Bed is delivered in multiple packages. Due to logistical reasons, these packages may arrive at different times, potentially up to 72 hours apart. Please ensure all packages have arrived before beginning assembly.

Image 4.1: The Inter Link Claas Multifunction Double Bed fully assembled in a bedroom, showcasing its natural wood finish and integrated storage.

4.1. Unpacking and Inventory

1. Carefully unpack all components from the boxes.
2. Verify all parts against the included parts list (not provided in this manual, refer to your product packaging).
3. Ensure all hardware (screws, dowels, etc.) is present. Contact customer support immediately if any parts are missing or damaged.

Image 4.2: An overhead view of the bed frame, showing the integrated storage compartments and a bedside table on wheels.

4.2. General Assembly Steps (Requires two people)

1. **Prepare the Area:** Clear a spacious area for assembly. Lay down a blanket or cardboard to protect the floor and furniture components.
2. **Assemble the Main Bed Frame:** Follow the specific diagrams in your product's assembly guide to connect the main bed frame components. Ensure all connections are secure.
3. **Install Slatted Bases:** Place the two included slatted bases onto the designated supports within the bed frame.
4. **Assemble Drawers:** Construct the 6 drawers (4 small, 2 large) according to the instructions. Ensure runners are correctly installed for smooth operation.
5. **Insert Drawers and Bedside Tables:** Slide the assembled drawers into their respective compartments. Position the two bedside tables into their designated slots or as standalone units.
6. **Final Check:** Double-check all screws and connections to ensure the bed is stable and secure before placing a mattress on it.

Image 4.4: A side view of the bed, illustrating the depth of the large drawer and the accessibility of the open niches.

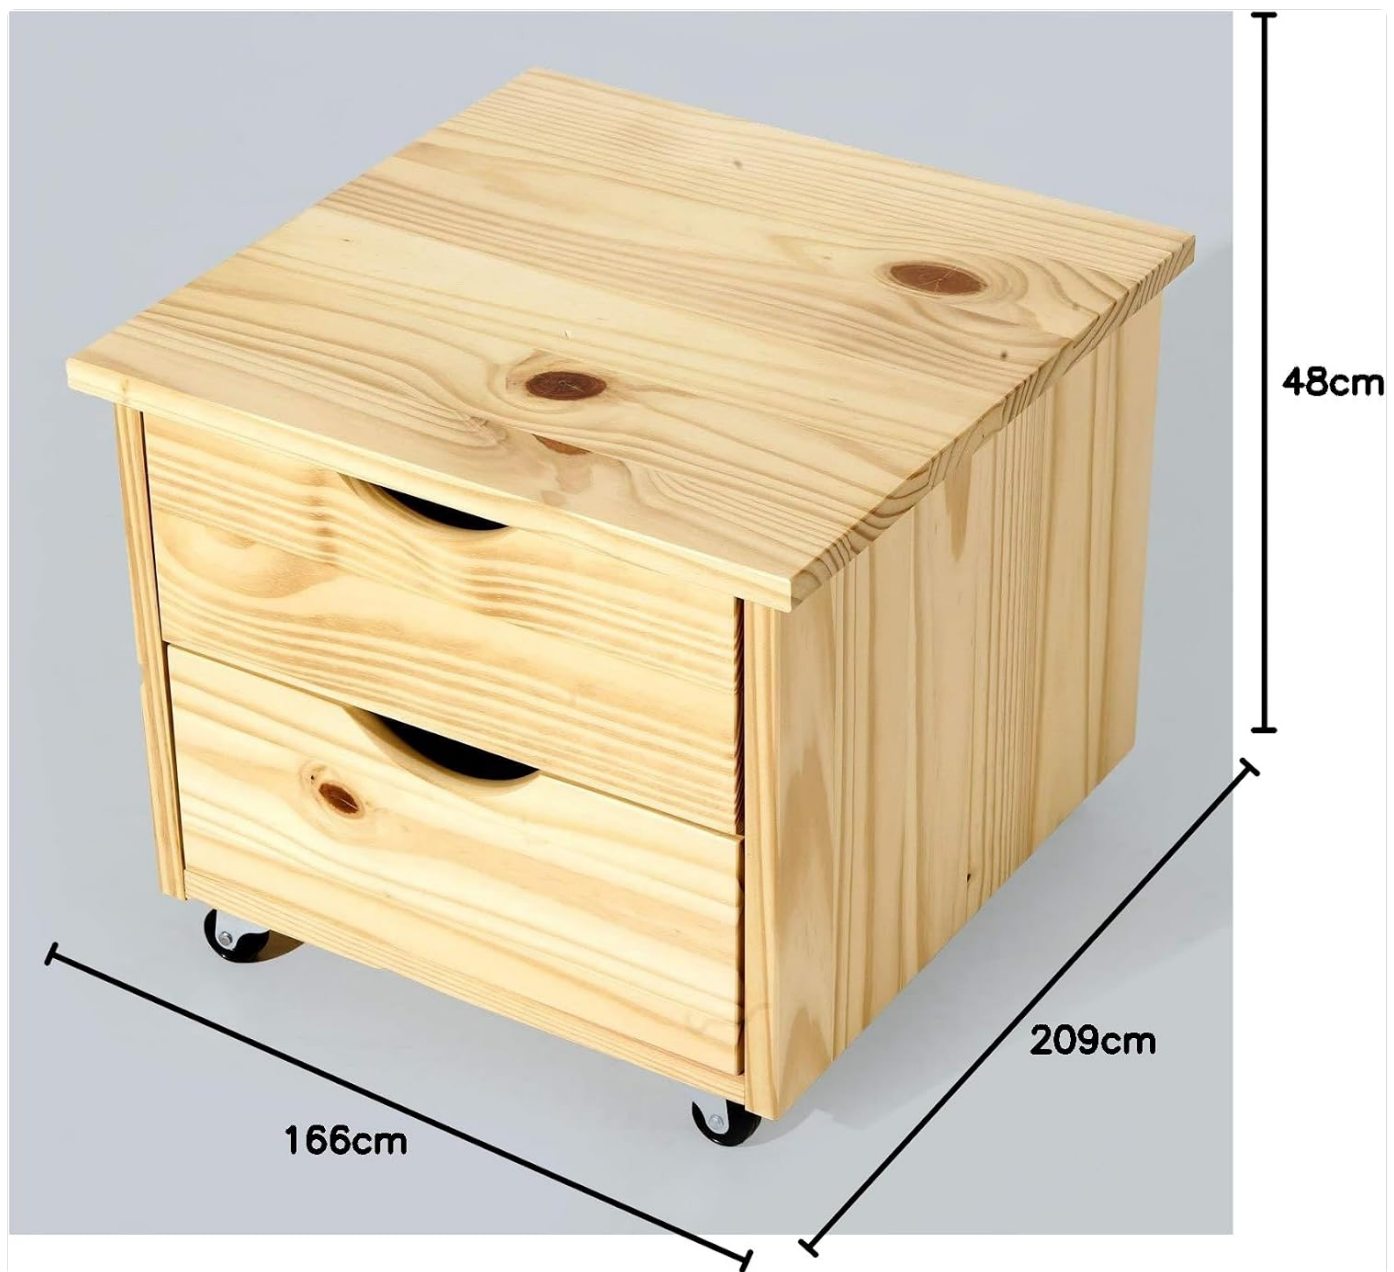

Image 4.5: A diagram showing the overall dimensions of the assembled bed: 209 cm length, 166 cm width, and 48 cm height.

5. OPERATING THE STORAGE FEATURES

5.1. Drawers

The bed includes 6 drawers (4 small, 2 large) designed for smooth operation.

- To open a drawer, gently pull the integrated handle.
- To close, push the drawer back until it is flush with the bed frame.
- Avoid overloading drawers to ensure smooth movement and prevent damage to the runners.

Image 5.1: A close-up view of an open drawer, demonstrating the storage capacity.

5.2. Open Niches

The 8 open niches provide easily accessible storage for books, decorative items, or other essentials.

- Place items carefully into the niches.
- Avoid placing excessively heavy items that could stress the wooden structure.

Image 5.2: A detailed view of the open niches, showing their internal structure and potential for organizing items.

5.3. Bedside Tables

The two bedside tables can be used either integrated into the bed frame or as standalone units. They feature wheels for easy repositioning.

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Inter Link Claas Multifunction Double Bed, follow these maintenance guidelines:

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the natural varnish.
- **Dusting:** Regularly dust the bed frame and storage compartments with a dry, soft cloth.
- **Protection:** Avoid direct exposure to prolonged sunlight or extreme temperature changes, which can cause wood to fade or crack.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Hardware Check:** Periodically check all screws and connections and tighten them if necessary to maintain stability.

7. TROUBLESHOOTING

- **Wobbly Frame:** If the bed frame feels unstable, re-check all assembly connections and tighten any loose screws. Ensure the bed is on a level surface.
- **Drawers Not Sliding Smoothly:** Check if the drawer runners are correctly aligned and free from obstructions. Ensure drawers are not overloaded.
- **Missing Parts:** If you discover missing components during unpacking, refer to your product's original packaging for contact information for customer support.
- **Damaged Parts:** Do not attempt to assemble with damaged parts. Contact customer support for replacements.

8. WARRANTY AND SUPPORT

Specific warranty information for the Inter Link Claas Multifunction Double Bed is typically provided with your purchase documentation. Please refer to the warranty card or contact your retailer for details regarding coverage and claims. For technical support or assistance with parts, please contact Inter Link customer service through their official website or the contact information provided with your product.
