IKEA TÄRNÖ Outdoor Foldable Acacia Table User Manual

Model: TÄRNÖ | Brand: IKEA

1. INTRODUCTION

Thank you for choosing the IKEA TÄRNÖ Outdoor Foldable Acacia Table. This manual provides essential information for the assembly, operation, maintenance, and care of your new table. Please read these instructions carefully before use to ensure proper handling and longevity of the product.

The TÄRNÖ table is designed for outdoor use, offering a compact and versatile solution for small spaces. Its solid acacia wood top and steel frame provide durability and a natural aesthetic.

2. SETUP AND ASSEMBLY

The IKEA TÄRNÖ table requires some mounting. Ensure you have all components before beginning assembly.

Components:

- Table Top (Solid Acacia)
- Legs/Frame (Steel, Enameled in powder with polyester base)
- Mounting Bracket
- Feet (Polypropylene)

Assembly Steps:

1. Unpack all components and verify against the parts list provided in the packaging.
2. Follow the detailed assembly instructions included with your product packaging. Typically, this involves attaching the legs and frame to the table top using the provided hardware.
3. Ensure all screws and fasteners are tightened securely for stability.

3. OPERATING INSTRUCTIONS

The TÄRNÖ table is designed for ease of use and storage.

Folding and Unfolding:

The table is foldable for convenient storage. To fold, locate the folding mechanism (usually a hinge or latch near the legs) and carefully collapse the legs towards the tabletop. To unfold, reverse the process, ensuring the legs are fully extended and locked into place for stability.

Recommended Use:

- This table is recommended for outdoor use only.
- It offers space for 2 persons.
- The IKEA TÄRNÖ folding chairs (sold separately) are designed to fit perfectly with this table.

4. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your TÄRNÖ table.

Cleaning:

- Clean regularly with a mild soap solution.
- Wipe dry with a clean, dry cloth immediately after cleaning.
- Avoid using abrasive cleaners or harsh chemicals.

Wood Care (Varnishing):

To prevent the surface from drying out, cracking, or moisture penetrating the wood, we recommend varnishing the furniture regularly, for example, one to two times per year. The varnish for wood (VÅRDA) is sold separately by IKEA.

Storage:

- When not in use, especially during off-season or harsh weather, store the table in a cool, dry place.
- If stored outdoors, cover the table with a water-resistant canvas to protect it from elements.
- After rain or snow, eliminate any moisture from flat surfaces to prevent water condensation and damage. Ensure good air circulation if covered.

5. TROUBLESHOOTING

This section addresses common concerns and provides solutions.

Problem	Possible Cause	Solution
Wood appears dry or cracked.	Lack of regular varnishing or exposure to harsh weather.	Apply wood varnish (e.g., IKEA VÅRDA) 1-2 times per year. Store indoors or cover during extreme weather.
Moisture damage or mold.	Water accumulation on surfaces, insufficient drying, or poor air circulation during storage.	Wipe off standing water immediately. Ensure good air circulation if covered. Store in a dry place.
Table feels wobbly after assembly.	Loose fasteners or incorrect assembly.	Check all screws and bolts; tighten them securely. Refer to the assembly instructions provided with the product.
