Margaritaville DM0600

Margaritaville Bahamas Frozen Concoction Maker DM0600 Instruction Manual

Model: DM0600 | Brand: Margaritaville

[Introduction](#) [Safety Information](#) [Setup](#) [Operating Instructions](#) [Maintenance & Cleaning](#) [Troubleshooting](#) [Specifications](#) [Warranty & Support](#)

1. INTRODUCTION

Welcome to the world of perfectly blended frozen concoctions with your new Margaritaville Bahamas Frozen Concoction Maker, model DM0600. This manual provides essential information for the safe and efficient operation, maintenance, and care of your appliance. Please read it thoroughly before first use and keep it for future reference.

2. IMPORTANT SAFETY INFORMATION

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, and/or injury to persons.

- Read all instructions before operating the appliance.
- Do not immerse the base unit in water or other liquids.
- Keep hands and utensils out of the blending jar while blending to prevent severe injury and/or damage to the blender.
- Avoid contact with moving parts. Blades are sharp. Handle with care.
- Ensure the appliance is unplugged from the outlet when not in use, before putting on or taking off parts, and before cleaning.
- Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions or has been dropped or damaged in any manner.
- Close supervision is necessary when any appliance is used by or near children.

3. SETUP AND ASSEMBLY

Before first use, wash all removable parts in warm, soapy water, rinse thoroughly, and dry. The main unit should be wiped clean with a damp cloth.

1. **Place the Base:** Position the main base unit on a stable, flat, and dry surface.
2. **Assemble the Blending Jar:** Ensure the blending blade assembly is securely attached to the bottom of the 36-ounce shatter-proof plastic blending jar. Place the blending jar onto the base unit.
3. **Attach the Ice Reservoir:** Place the ice reservoir onto the top of the main unit. Ensure it is properly seated and locked into place.
4. **Prepare the No-Brainer Mixer:** The No-Brainer mixer is designed to simplify ingredient measurement. It includes markings for various frozen drinks like piña coladas, daiquiris, and margaritas. Fill the mixer with your desired ingredients according to the recipe.

4. OPERATING INSTRUCTIONS

The Margaritaville Bahamas Frozen Concoction Maker features an automatic Shave N Blend cycle, as well as manual Blend

Only and Shave Only cycles for customized drink preparation.

4.1. Automatic Shave N Blend Cycle

1. **Add Ingredients:** Pour your pre-measured drink ingredients from the No-Brainer mixer into the blending jar.
2. **Load Ice:** Fill the top-mounted ice reservoir with ice cubes. Do not overfill past the indicated "Ice Level" line.
3. **Secure Lids:** Ensure the ice reservoir lid is securely closed and the blending jar lid is firmly in place.
4. **Select Automatic Cycle:** Turn the control dial to the "Shave N Blend" position.
5. **Start:** Press the "Start" button. The machine will automatically shave the ice and blend it with your ingredients to create a perfect frozen concoction. The cycle will stop automatically when complete.

4.2. Manual Blend Only / Shave Only Cycles

- **Blend Only:** To blend ingredients without shaving ice, ensure the ice reservoir is empty or the ice chute is closed. Turn the control dial to "Blend Only" and press the "Start" button.
- **Shave Only:** To shave ice without blending, ensure the blending jar is empty or removed. Turn the control dial to "Shave Only" and press the "Start" button. This is useful for preparing shaved ice for other uses.

5. MAINTENANCE AND CLEANING

Regular cleaning ensures the longevity and optimal performance of your Margaritaville Frozen Concoction Maker.

- **Dishwasher-Safe Parts:** The blending jar, No-Brainer mixer, and ice reservoir are dishwasher-safe for easy cleaning. Place them on the top rack of your dishwasher.
- **Hand Washing:** For hand washing, use warm, soapy water and a non-abrasive sponge. Rinse thoroughly. Be extremely careful when handling the sharp blades.
- **Base Unit Cleaning:** Wipe the base unit with a damp cloth. Do not immerse the base unit in water or any other liquid.
- **Water Collection Reservoir:** The unit features a water collection reservoir at the back to catch melted ice. Regularly empty and clean this reservoir to prevent water buildup.

6. TROUBLESHOOTING

If your Margaritaville Frozen Concoction Maker is not operating as expected, consult the following common issues and solutions:

- **Appliance does not turn on:**
 - Ensure the power cord is securely plugged into a working electrical outlet.
 - Check if the blending jar and ice reservoir are correctly assembled and locked into place. The machine has safety interlocks that prevent operation if components are not properly aligned.
- **Ice is not shaving or blending properly:**
 - Verify that the ice reservoir is filled with ice cubes and the lid is secure.
 - Ensure the blending jar contains sufficient liquid ingredients to allow for proper blending.
 - Check for any obstructions in the ice chute or around the blending blades.
- **Leaking from the blending jar:**
 - Confirm that the blending blade assembly is tightly screwed onto the bottom of the blending jar.
 - Ensure the blending jar lid is properly sealed.

7. SPECIFICATIONS

Brand	Margaritaville
Model Number	DM0600
Capacity	36 Fluid Ounces (blending jar)
Product Dimensions	18"D x 9"W x 14"H

Item Weight	16.3 pounds
