## OutIn OT-MAT-01

# OutIn Silicone Coffee Mat (OT-MAT-01) Instruction Manual

## 1. OVERVIEW

---

The OutIn Silicone Coffee Mat (Model OT-MAT-01) is designed to provide a protective, anti-slip, and easy-to-clean surface for your coffee preparation area. It is compatible with various OutIn coffee products and portable coffee makers, helping to keep your countertops clean and organized.

# DIMENSIONS

9.8" X 6.7" X 0.2"

## 2. KEY FEATURES

- **Waterproof & Heatproof:** This mat withstands spills and temperatures ranging from  $-20^{\circ}\text{C}$  to  $150^{\circ}\text{C}$ , effectively protecting countertops from heat and moisture. It is ideal for use with espresso machines and various coffee accessories.
- **Anti-slip and Shock-absorbing:** Constructed from environmentally friendly food-grade silicone, the mat features a unique textured design. This design securely grips cups and tools, preventing accidental slips and absorbing vibrations to reduce noise during use.
- **Foldable and Portable:** Its flexible and compact design allows it to be folded flat for convenient storage. Weighing only 133 grams, it is highly suitable for use at home, in the office, during travel, or at outdoor coffee setups.
- **Easy to Clean:** The smooth silicone surface prevents coffee grounds and liquids from sticking. It can be rinsed under water or wiped clean in seconds, ensuring quick and effortless maintenance.
- **Compatible with OutIn Products:** The mat is fully compatible with OutIn Nano coffee machines, Fino grinders, and their accessories, enhancing your overall coffee brewing experience.

# WATERPROOF & HEATPROOF

-20°C ~ 150°C

### 3. SETUP

---

1. **Unpack:** Carefully remove the silicone coffee mat from its packaging.
2. **Unfold:** If folded, gently unfold the mat and lay it flat on your desired surface.
3. **Placement:** Position the mat on a clean, dry countertop or table where you intend to prepare your coffee. Ensure the surface beneath the mat is free of debris to maximize its anti-slip properties.

Video 3.1: This video demonstrates the setup and use of the OutIn Silicone Coffee Mat with various OutIn coffee accessories, including a grinder and espresso maker.

### 4. OPERATING INSTRUCTIONS

---

The OutIn Silicone Coffee Mat is designed for straightforward use:

1. **Place Equipment:** Position your OutIn coffee machine, grinder, cups, or other accessories directly onto the mat. The textured surface will help keep them stable.
2. **Collect Drips and Spills:** The mat is designed to catch any coffee drips, water spills, or loose

grounds, keeping your work surface clean.

3. **Protect Surfaces:** Utilize the mat to protect your countertops from heat generated by hot coffee equipment or from scratches.

Video 4.1: This video showcases the OutIn portable coffee station, demonstrating how the mat integrates with other OutIn products for a complete coffee setup.

## 5. MAINTENANCE

---

To ensure the longevity and hygiene of your OutIn Silicone Coffee Mat:

- **Regular Cleaning:** Rinse the mat under running water or wipe it with a damp cloth immediately after use to remove coffee grounds, spills, and stains.
- **Drying:** Allow the mat to air dry completely before storing or reusing.
- **Deep Cleaning:** For stubborn stains, use a mild dish soap and a soft sponge. Avoid abrasive cleaners or scrub brushes that could damage the silicone surface.
- **Storage:** When not in use, the mat can be folded or rolled for compact storage. Store in a clean, dry place.

Image 5.1: The mat's smooth silicone surface allows for easy cleaning.

## 6. TROUBLESHOOTING

---

- **Mat not lying flat:** If the mat retains creases from packaging, lay it flat on a warm surface or gently warm it with a hairdryer on a low setting to help it relax and flatten.
- **Reduced anti-slip grip:** Ensure both the mat and the surface it rests on are clean and dry. Residue or moisture can reduce grip effectiveness.
- **Stains:** Clean spills immediately. For dried stains, soak the mat in warm soapy water for a few minutes before scrubbing gently.

## 7. SPECIFICATIONS

---

Specification	Detail
Brand	OutIn
Model Name	OT-MAT-01
Model Number	OT-MAT
Color	Green
Material	Silicone
Item Weight	135 Grams
Dimensions (L x W x H)	9.8 inches x 6.7 inches x 0.2 inches (250mm x 170mm x 2mm)

# DURABLE & SLIP-RESISTANT
