Rampage Women's RS1004 Gold Sunglasses User Manual

Model: RS1004

[Introduction](#) [Setup](#) [Operating](#) [Maintenance](#) [Troubleshooting](#) [Specifications](#) [Warranty & Support](#)

1. INTRODUCTION

This manual provides instructions for the proper use, care, and maintenance of your Rampage Women's RS1004 Gold Sunglasses. Please read this manual thoroughly to ensure optimal performance and longevity of your product.

2. SETUP AND INITIAL USE

Upon receiving your Rampage RS1004 sunglasses, carefully remove them from their packaging. Inspect the frames and lenses for any visible damage. These sunglasses are designed for immediate use.

2.1 Proper Fit

Gently place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend over your ears without causing pressure. The aviator style is designed to provide broad coverage.

Figure 1: Front view of the Rampage RS1004 Gold Sunglasses, showcasing the aviator design and gold-toned metal frame with brown gradient lenses.

3. OPERATING INSTRUCTIONS

3.1 Wearing the Sunglasses

To wear, hold the sunglasses by the frame and gently place them over your eyes. Ensure the lenses are positioned to cover your field of vision, providing protection from sunlight. The non-polarized lenses offer standard UV protection.

3.2 Removing the Sunglasses

To remove, grasp the temples with both hands and lift the sunglasses off your face. Avoid pulling them off with one hand, as this can strain the frame and hinges.

Figure 2: Angled view of the Rampage RS1004 Gold Sunglasses, highlighting the metal frame and the gradient tint of the lenses.

4. CARE AND MAINTENANCE

4.1 Cleaning the Lenses

To clean the lenses, use a soft, lint-free cloth, preferably a microfiber cloth. For stubborn smudges, lightly dampen the cloth with water or a specialized lens cleaning solution. Avoid using paper towels, clothing, or harsh chemicals, as these can scratch the lenses.

4.2 Cleaning the Frame

Wipe the metal frame and temple tips with a soft, damp cloth. Dry immediately with a clean, dry cloth to prevent water spots or corrosion.

4.3 Storage

When not in use, store your sunglasses in a protective case to prevent scratches and damage. Avoid leaving them in direct sunlight or extreme temperatures (e.g., in a hot car), as this can warp the frame or damage the lens coatings.

5. TROUBLESHOOTING

Problem	Possible Cause	Solution
Lenses appear smudged or dirty.	Fingerprints, dust, or oils.	Clean with a microfiber cloth and lens cleaner.
Sunglasses feel loose.	Hinges may have loosened over time.	Consult an optician for adjustment. Avoid self-adjusting metal frames to prevent damage.
Scratches on lenses.	Improper cleaning or storage.	Scratches are generally permanent. Prevent by proper cleaning and always storing in a case.
Frame feels bent or misaligned.	Accidental impact or improper handling.	Seek professional repair from an optician.

6. PRODUCT SPECIFICATIONS

- **Model:** RS1004
- **Brand:** Rampage
- **Style:** Aviator
- **Frame Material:** Metal
- **Lens Type:** Non-Polarized
- **Lens Color:** Gold (Gradient Brown)
