

HUDORA 71451

HUDORA Glasgow Foosball Table Model 71451 Instruction Manual

Brand: HUDORA | Model: 71451

1. IMPORTANT SAFETY INSTRUCTIONS

Please read all instructions carefully before assembling and using the HUDORA Glasgow Foosball Table. Keep this manual for future reference.

- **Adult Supervision:** This product is intended for use under adult supervision, especially for younger players.
- **Small Parts:** The assembly process involves small parts. Keep them out of reach of children to prevent choking hazards.
- **Proper Assembly:** Ensure all components are correctly and securely assembled according to the instructions to prevent instability and injury.
- **Stable Surface:** Place the foosball table on a flat, stable, and level surface to ensure safe play and prevent tipping.
- **Maintenance:** Regularly check all screws, bolts, and connections for tightness. Tighten if necessary.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Table cabinet panels (sides, ends, bottom)
- Playing field
- Legs (4) and height-adjustable feet
- Player rods (8)
- Players (22, in classic 1-2-5-3 arrangement)
- Handles (8)

- Goal boxes (2)
- Score counters (2)
- Balls (3)
- Assembly hardware (screws, bolts, washers, nuts, tools)

3. SETUP AND ASSEMBLY

Follow these general steps for assembling your HUDORA Glasgow Foosball Table. Refer to the detailed diagrams provided in the separate assembly guide for specific instructions.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Cabinet:** Connect the side and end panels of the table cabinet using the provided hardware. Ensure all connections are tight.
3. **Install Playing Field:** Carefully place the playing field into the assembled cabinet. The playing field measures approximately 102 x 58 cm and features slightly raised corners to keep the ball in play.
4. **Attach Legs:** Securely attach the four legs to the cabinet. Adjust the height-adjustable standing legs to ensure the table is level on your playing surface.
5. **Install Player Rods and Players:** Slide the steel rods (13 mm Ø) through the designated holes in the cabinet. Attach the 22 robust players to the rods in the classic 1-2-5-3 arrangement (1 goalie, 2 defenders, 5 midfielders, 3 forwards). Secure the handles to the ends of the rods.
6. **Attach Goal Boxes and Score Counters:** Install the goal boxes and score counters at each end of the table.

4. OPERATING INSTRUCTIONS

The HUDORA Glasgow Foosball Table is designed for engaging and competitive play. Here are the basic operating instructions:

- **Starting Play:** Use the double-sided ball throw mechanism located on the side of the table to introduce one of the three included balls onto the playing field.
- **Controlling Players:** Grip the handles firmly. Push and pull the rods to move your players forward and backward. Rotate the handles to spin your players and kick the ball.
- **Scoring:** A goal is scored when the ball enters the opponent's goal box. Use the manual score counters at each end of the table to keep track of points.
- **Fair Play:** Avoid spinning rods excessively or slamming them against the table, as this can damage the table and disrupt fair play.

Image: A close-up view of the detailed foosball players attached to a steel rod, illustrating their robust design and classic arrangement.

5. MAINTENANCE

Regular maintenance will extend the life of your foosball table and ensure optimal playing conditions.

- **Cleaning:** Wipe down the playing surface and exterior of the table with a soft, damp cloth. Avoid abrasive cleaners or solvents that could damage the finish.
- **Rod Lubrication:** Apply a small amount of silicone-based lubricant to the steel rods periodically to ensure smooth movement. Do not use oil-based lubricants, as they can attract dust and grime.
- **Check Fasteners:** Periodically inspect all screws, bolts, and connections. Tighten any loose fasteners to maintain the table's stability and structural integrity.
- **Ball Storage:** Store the balls in a safe place when not in use to prevent loss.

6. TROUBLESHOOTING

Here are some common issues and their solutions:

- **Rods are Sticking:** Apply silicone lubricant to the rods. Ensure the rods are clean and free of debris.
- **Table is Uneven:** Adjust the height-adjustable feet on the legs until the table is level. Use a spirit level for accuracy.
- **Loose Players or Handles:** Tighten the screws or bolts that secure the players to the rods and the handles to the rods.
- **Ball Jumps Off Playing Field:** Ensure the table is level. Check if the playing field is properly seated. Reduce the force of shots if consistently happening.

7. SPECIFICATIONS

Feature	Specification
Model Name	Kickertisch Glasgow
Model Number	71451
Dimensions (L x W x H)	119 x 61.5 x 78 cm
