KAWADA NBH-058

Kawada Nanoblock Big Christmas Tree 2013 (NBH-058) Instruction Manual

Brand: KAWADA | Model: NBH-058

1. Introduction and Overview

Thank you for purchasing the Kawada Nanoblock Big Christmas Tree 2013. This limited edition Nanoblock set allows you to construct a detailed Christmas tree model, complete with festive decorations. Designed for enthusiasts aged 12 and up, this model offers an engaging building experience. For enhanced display, the completed tree can be placed on a separately sold LED plate to illuminate its translucent blocks.

2. Safety Information

- **Recommended Age:** This product is intended for users aged 12 years and older.

- **Small Parts Warning:** Nanoblock pieces are very small. Keep out of reach of children under 3 years old to prevent choking hazards.
- **Handling:** Handle blocks carefully to avoid loss. Do not put blocks in your mouth.
- **Disposal:** Dispose of packaging materials responsibly.

3. Package Contents

Verify that all components are present before beginning assembly. The package should contain:

- Assorted Nanoblock pieces (various colors and shapes)
- Detailed assembly instruction booklet

Figure 3.1: Product packaging for NBH-058.

4. Assembly Instructions

Follow the step-by-step instructions provided in the included assembly booklet. The Nanoblock system uses micro-sized blocks, requiring precision and patience. It is recommended to sort the blocks by color and shape before starting.

1. **Preparation:** Open all block bags and carefully sort the pieces. Refer to the parts list in your instruction booklet to ensure all pieces are accounted for.
2. **Base Construction:** Begin by assembling the base of the Christmas tree as shown in the initial steps of the booklet. This typically involves larger, flat pieces.
3. **Tree Structure:** Gradually build the tree upwards, layer by layer, following the diagrams. Pay close attention to the orientation of each block. The green translucent blocks form the main body of the tree.
4. **Decorations:** Attach the decorative elements such as the red bow, yellow star, and small gift blocks at the base, as indicated in the later stages of the instructions.
5. **Final Check:** Once assembly is complete, gently press down on all sections to ensure blocks are securely connected.

Note: Some users find Nanoblock assembly challenging due to the small size of the pieces and the detailed instructions. Take your time and re-check steps if the structure feels unstable.

5. Operating Instructions (with optional LED Plate)

The Nanoblock Big Christmas Tree 2013 is designed to be compatible with a separately sold Nanoblock LED plate (not included). This plate enhances the visual appeal of the translucent blocks by illuminating the model from below.

1. **Acquire LED Plate:** Ensure you have a compatible Nanoblock LED plate.
2. **Power On LED Plate:** Follow the instructions provided with your LED plate to power it on.
3. **Placement:** Carefully place the assembled Nanoblock Christmas Tree onto the surface of the illuminated LED plate. The base of the tree is designed to fit securely.
4. **Enjoy:** Observe the tree as it lights up, creating a festive display. The color of the illumination will depend on your specific LED plate model.

Figure 5.3: Tree with blue illumination.

6. Maintenance

- **Cleaning:** To clean the model, gently dust it with a soft brush or a dry cloth. For more stubborn dirt, lightly dampen a cloth with water and wipe carefully. Avoid harsh chemicals or abrasive materials.
- **Storage:** When not on display, store the assembled model in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or damage to the plastic.
- **Disassembly:** If disassembling, do so carefully to avoid breaking or losing pieces. Store blocks in a sealed container.

7. Troubleshooting

- **Missing Pieces:** If you discover missing pieces upon opening the package, please contact Kawada customer support with your product details.
- **Unstable Structure:** If the model feels unstable during or after assembly, carefully review the instruction booklet. Ensure all blocks are firmly connected and correctly oriented according to the diagrams. Sometimes, a slight misalignment can affect stability.
- **Difficulty in Assembly:** Nanoblocks are small and require fine motor skills. If you find assembly difficult, take breaks and work in a well-lit area. Using tweezers can sometimes aid in placing very small blocks.

8. Specifications

Feature	Detail
Model Number	NBH-058
Product Dimensions	14.2 x 14 x 4.8 cm
Product Weight	127.99 g
Recommended Age	12 years and up
Batteries Required	No (for the tree model itself)
Release Date	2013/10/31

9. Warranty and Support
