OFF! 662223

OFF! Clip-On Mosquito Repellent Refill User Manual

Brand: OFF! | Model: 662223

Product Overview

The OFF! Clip-On Mosquito Repellent Refills are designed to work with the OFF! Clip-On Mosquito Repellent unit, providing up to 12 hours of protection against mosquitoes. The unit utilizes a quiet, battery-powered fan to circulate repellent, eliminating the need for sprays or liquid application. A red LED indicator light signals when approximately 3 hours of refill and battery life remain.

Video demonstrating the features and usage of the OFF! Clip-On Mosquito Repellent, including how to insert refills and the fan's operation.

Key Features

- Each refill provides up to 12 hours of protection against mosquitoes.
- Formulated with 31.2% Metofluthrin.
- Contains 2 Repellent Refills; Works with OFF! Clip-On Mosquito Repellent which uses quiet, battery-powered fan to circulate repellent all around you.
- No spray or liquid application required.

Setup and Installation

Follow these steps to prepare your OFF! Clip-On unit for use:

1. **Remove Refill:** Remove one mosquito repellent refill from its packaging. Avoid touching the treated refill cloth when inserting or removing the refill.
2. **Insert Refill:** Hold the tab and insert the refill into the unit with the orange side facing up.
3. **Wash Hands:** Wash hands thoroughly and immediately after handling the refill.
4. **Lock Refill:** Lock the refill in place by twisting the top until the refill slot is completely closed to the “O” position.
5. **Turn On Unit:** Turn on the unit by twisting the top all the way to “O” until the fan activates.

Operation

The OFF! Clip-On unit provides personal head-to-toe protection through a battery-powered fan system.

- **Placement:** Clip the unit to your belt, pants/shorts waistband, purse, or place it in any other convenient location next to you.
- **Air Circulation:** Air is drawn into the device by the fan and exits through the side vents, circulating the repellent around you.
- **Protection Zone:** When stationary, you are within the protected zone. If you move, allow a few minutes for the unit to re-establish its protection.
- **Odorless and Heat-Free:** The repellent does not need to be applied to the skin, nor is heat required for activation. It is also odorless.
- **Turning Off:** When finished using the unit, twist the top to the “O” (off) position.

Safety Information

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION: Harmful if swallowed, inhaled, or absorbed through the skin. Avoid contacting skin, eyes or clothing with treated refill cloth. Avoid breathing vapor.
