# Jawbone Mini Jambox Wireless Bluetooth Speaker User Manual

Model: J2013-13-US

## INTRODUCTION

Thank you for choosing the Jawbone Mini Jambox Wireless Bluetooth Speaker. This compact and powerful speaker delivers crystal-clear audio and deep bass, allowing you to enjoy your music wirelessly. With its long-lasting battery and built-in speakerphone, the Mini Jambox is designed for portability and convenience. This manual provides detailed instructions on setting up, operating, and maintaining your device.

## SAFETY INFORMATION

Please read all safety instructions carefully before using your Mini Jambox. Keep this manual for future reference.

- Do not expose the device to extreme temperatures, humidity, or liquids.
- Avoid dropping or subjecting the device to strong impacts.
- Do not attempt to disassemble or modify the device. This will void the warranty.
- Use only the provided charging cable or a certified equivalent.
- Clean the device with a soft, dry cloth. Do not use abrasive cleaners.
- Keep out of reach of children.

## PACKAGE CONTENTS

Ensure all items are present in your package:

- Jawbone Mini Jambox Wireless Bluetooth Speaker
- USB Charging Cable
- Quick Start Guide (not included in this manual)

## PRODUCT OVERVIEW

Familiarize yourself with the buttons and ports on your Mini Jambox.

Figure 1: Front view of the Jawbone Mini Jambox, displaying the speaker grille and top-mounted control buttons.

Figure 2: Side view of the Jawbone Mini Jambox, highlighting the power button, auxiliary input, and micro USB charging port.

## Controls and Ports:

- **Top Buttons:** Volume Up (+), Volume Down (-), and a multi-function button (often with a Jawbone logo).
- **Side Buttons/Ports:** Power button, 3.5mm auxiliary input, Micro USB charging port.

## SETUP

### 1. Charging the Mini Jambox

Before first use, fully charge your Mini Jambox. A full charge provides approximately 10 hours of playback.

1. Connect the small end of the USB charging cable to the Micro USB port on the side of the Mini Jambox.
2. Connect the large end of the USB cable to a USB power adapter (not included) or a computer's USB port.
3. The indicator light will show charging status (refer to the Quick Start Guide for specific light patterns).

### 2. Powering On/Off

- **To Power On:** Press and hold the Power button on the side until you hear an audible tone and the indicator light illuminates.
- **To Power Off:** Press and hold the Power button again until you hear an audible tone and the indicator light turns off.

### 3. Bluetooth Pairing

Pair your Mini Jambox with a Bluetooth-enabled device (e.g., smartphone, tablet, laptop).

1. Ensure the Mini Jambox is powered on.
2. Press and hold the multi-function button on the top of the speaker until the indicator light flashes rapidly (indicating pairing mode).
3. On your device, go to Bluetooth settings and enable Bluetooth.
4. Select "MINI JAMBOX" from the list of available devices.
5. Once paired, the indicator light will change (refer to the Quick Start Guide for specific light patterns) and you will hear a confirmation tone.

### 4. Connecting via Auxiliary Input

For devices without Bluetooth, use a 3.5mm audio cable (not included).

1. Connect one end of the 3.5mm audio cable to the auxiliary input port on the side of the Mini Jambox.
2. Connect the other end to the headphone jack or audio output of your device.
3. The Mini Jambox will automatically switch to auxiliary input mode.

## OPERATING INSTRUCTIONS

---

### Playing Audio

Once connected via Bluetooth or auxiliary input, simply start playing audio from your source device. The sound will be routed through the Mini Jambox.

### Volume Control

- Press the + button on the top to increase volume.
- Press the - button on the top to decrease volume.
- You can also control the volume directly from your connected device.

### Call Handling (Speakerphone)

The Mini Jambox features a built-in microphone for hands-free calls when connected to a smartphone via Bluetooth.

- **Answer/End Call:** Press the multi-function button once.
- **Reject Call:** Press and hold the multi-function button.

### Multi Play Feature

Connect two Mini Jambox speakers for a more immersive audio experience.

- Refer to the Jawbone app or official Jawbone support for detailed instructions on activating Multi Play.

### Using the Jawbone App

Personalize your Mini Jambox and access additional features by downloading the Jawbone app from your device's app store.

- The app allows for firmware updates, sound profile customization, and management of features like Multi Play.

## MAINTENANCE

---

### Cleaning

Wipe the exterior of the Mini Jambox with a soft, dry, lint-free cloth. Do not use liquid cleaners or aerosols.

## Storage

When not in use for extended periods, store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. It is recommended to charge the battery periodically to maintain its health.

## Battery Care

The Mini Jambox contains a built-in Lithium Polymer battery. To maximize battery life:

- Avoid fully discharging the battery frequently.
- Do not leave the device uncharged for long periods.
- Charge the device at room temperature.

## TROUBLESHOOTING

| Problem                    | Possible Solution  |
|----------------------------|--|
| Speaker does not power on. | Ensure the battery is charged. Connect the speaker to a power source using the USB cable.  |
| Cannot pair via Bluetooth. | Ensure the Mini Jambox is in pairing mode (flashing indicator light).<br>Make sure Bluetooth is enabled on your device.<br>Move the speaker closer to your device.<br>Forget "MINI JAMBOX" from your device's Bluetooth list and try pairing again.<br>Restart both the speaker and your device. |
| No sound or low volume.    | Increase volume on both the Mini Jambox and your connected device.<br>Ensure the speaker is properly connected (Bluetooth or auxiliary).<br>If using auxiliary, check the cable connection.  |
| Sound distortion.          | Reduce the volume on your connected device or the speaker.<br>Move the speaker closer to your Bluetooth device to avoid interference.  |
